The Life Of Saint Issa:

The Life of Saint Issa Nicholas Notovitch, Virchand R. Gandhi, 2018-07-25 Notovitch's biography of Saint Issa in which he asserts that Jesus Christ spent many of his missing years traversing India is presented here. A Crimean Jewish adventurer and explorer of India, Notovitch traveled widely across the East in the late nineteenth century. He claimed to have discovered a biographical document in Hemis Monastery located in modern day India from which he created this book. The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time. Spotting inconsistencies in Notovitch's account, it was only after being confronted with these that he apparently confessed to having fabricated the biography of Jesus Christ. For some years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery where a monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the disputed documents concerning Christ. *The Life of Saint Issa* Nicholas Notovitch, 2017-04-20 Notovitch's biography of Saint Issa in which he asserts that Jesus Christ spent many of his missing years traversing India is presented here in large print. A Crimean Jewish adventurer and explorer of India, Notovitch traveled widely across the East in the late nineteenth century. He claimed to have discovered a biographical document in Hemis Monastery located in modern day India from which he created this book. The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time. Spotting inconsistencies in Notovitch's account, it was only after being confronted with these that he apparently confessed to having fabricated the biography of Jesus Christ. For some years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery where a monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the disputed documents concerning Christ. Today although Notovitch's alternate account of Jesus' life and existence during his lost years is discredited, it remains an interesting and notable episode in Christian biography. For his part, Notovitch continued to write for the remainder of his life, albeit on topics surrounding politics and national leaders rather than religion. This edition of *The Life of Saint Issa* contains the translation of Jainist scholar Virchand R. Gandhi. *The Life of Saint Issa* Virchand R. Esoteric themes in theology Róbert Sarka,2015-05-31 During the Second Vatican Council the Catholic Church opened itself to a dialogue which became its communication tool with the world with other Christian denominations and religions At the end of the 19th century so called new religious movements and new magical movements started to appear which are still currently expanding Is it possible to lead a dialogue with new religious movements NRM 1 A dialogue is an inseparable part of the Church s mission therefore neither can the NRM be excluded However to have a dialogue with them the correct preparation is needed because a great variability exists amongst the NRM In this dialogue it is also necessary to take into account the risks from the side of the NRM s participants who may try to abuse it for their own promotion e g as happened when some of the NRM s participants showed photographs from a general audience with the pope or photographs with Mother Theresa as proof of a support of their activities Another form of abuse can be the publishing of their own doctrines in the Catholic Publishing Houses The statements of some forms of NRM concerning the possibility of double memberships thus actually remaining as a member of the Catholic Church but at the same time being a disciple of some occult community are also of a great danger² It is necessary to think about these pitfalls during the dialogue The dialogue should also not be detached from the proclamation in this case it is about keeping fidelity to the Catholic faith I would also like to stick to this criterion in the submitted monograph about esoteric themes in theology Excerpt from the Introduction
