

The Lighthouse

The light house, the guardian angel of the night
She shines her light for all the lost sailors passing by
Her beam bright as the sun, flashing through the night sky

The lighthouse, a soldier during the storms
Standing tall, unafraid of the chaos
Her light piercing through the storm like sharp knives

The light house the night owl of the day
Sleeping and cozzed away until the night
Her beam off as silent as a deer not wanting to be found
