**When the Lights Go on Again** Mark Walters, 2010-10-18 Elaine West is a young girl growing up in Fresno California in the wake of the Great Depression While her family like all families of the time has struggled to make ends meet over the past few years her life is generally happy and free from worry Free that is until the attack on Hawaii s Pearl Harbor plunges the United States suddenly and unexpectedly into a global war Now the only thing standing between the enemy and Elaine s home city of Fresno California is less than two hundred miles and a vast unprotected open sea Written in the tradition of Johnny Tremain and *Across Five Aprils* *When the Lights Go On Again* takes you back to California in the 1940s depicting everyday life and the war that shaped it Be there with Elaine as she grows up during the most destructive conflict the world has ever seen See the lives of the people of Fresno during those dark years blackout drills shortages food and gasoline rationing Meet the young men from throughout the nation who came through Fresno headed for the battlefields of the Pacific Witness a nation of immigrants harass and imprison their Japanese neighbors casting their humanity aside amid the terrifying realities of war Learn as Elaine did of such horrors as the Bataan Death March and the Holocaust Watch the dawn of the atomic age See all of this and more through the eyes of a young girl who is quickly becoming a young woman as she tries desperately to make sense of it all

**WHEN THE LIGHTS GO ON AGAIN** Michael Burt, 2019-10-22 This book tells the story of life during WW2 in and around Cowfold largely through the memories of eleven children with ages ranging from under five to teenager There are no stories here of bloodshed death and destruction Instead this is a story of making do with often very little of life in the village under the restrictions of blackout and rationing of childish wide eyed excitement at watching aerial combat and of rushing to the site of a crashed bomber or fighter in the hope of picking up souvenirs There are stories of fear at hearing the night time throbbing engine of German bombers or bombs and incendiaries exploding in the area and later of the dreaded Doodlebug This was the villagers front line the Home Front where achieving victory in farming the fields or responding to the Dig for victory campaign or just keeping calm and carrying on was no less important to the ultimate victory than the battles fought on land in the air and at sea The children played their part in this Home Front victory accepting the hardships and contributing to the war effort by helping with fund raising or collecting wild fruit for processing or helping with the harvests This book is a tribute to all those children and adults of Cowfold who endured six years of hardship shortages separation from fathers husbands sons and brothers and sisters and

fear and yet who persevered and ultimately prevailed *The Soundies* Mark Cantor, 2023-04-19 The 1940s saw a brief audacious experiment in mass entertainment a jukebox with a screen Patrons could insert a dime then listen to and watch such popular entertainers as Nat King Cole Gene Krupa Cab Calloway or Les Paul A number of companies offered these tuneful delights but the most successful was the Mills Novelty Company and its three minute musical shorts called Soundies This book is a complete filmography of 1 880 Soundies the musicians heard and seen on screen recording and filming dates arrangers soloists dancers entertainment trade reviews and more Additional filmographies cover more than 80 subjects produced by other companies There are 125 photos taken on film sets along with advertising images and production documents More than 75 interviews narrate the firsthand experiences and recollections of Soundies directors and participants Forty years before MTV the Soundies were there for those who loved the popular music of the 1940s This was truly music for the eyes Growing Up in Minnesota Chester G. *World War II Richmond, Virginia* Walter S. Griggs Jr., 2013-10-15 The effects of the war raging across Europe were visible in Richmond as early as 1939 and Richmonders are always ready to fight for their cause In that year the city saw its first parking meters on the streets and began to collect aluminum scrap for use in war industries In 1940 pursuant to the new draft law Richmond's sons between the ages of twenty one and thirty five registered for the draft While bomb shelters were put up all over the town dances were held to maintain local morale Even as local German families faced discrimination Richmonders strived for a sense of unity and solidarity Author and historian Walter Griggs Jr revives this conflicted spirit memorializing the sorrow and celebrating the triumphs of a resilient southern city through world war **Militarized**

Smith,2021-10-21 After Pearl Harbor Tin Pan Alley songwriters rushed to write the Great American War Song an Over There for World War II The most popular songs however continued to be romantic ballads escapist tunes or novelty songs To remedy the situation the federal government created the National Wartime Music Committee an advisory group of the Office of War Information OWI which outlined proper war songs along with tips on how and what to write The music business also formed its own Music War Committee to promote war songs Neither group succeeded The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs just as automobile plants had retooled to assemble planes and tanks But the OWI failed to comprehend the large extent by which the war effort would be defined by advertisers and merchandisers Selling merchandise was the first priority of Tin Pan Alley and the OWI never swayed them from this course Kathleen E R Smith concludes the government's fears of faltering morale did not materialize Americans did not need such war songs as Goodbye Mama I'm Off To Yokohama There Are No Wings On a Foxhole or even The Sun Will Soon Be Setting On The Land Of The Rising Sun to convince them to support the war The crusade for a proper war song was misguided from the beginning and the music business then and now continues to make huge profits selling love not war songs      **The Cross on Castle Rock** George Nakagawa,2004-01-06 In early 1942 the U S government imprisoned without charge or trial 120 000 American citizens and legal resident aliens Their crime They were of Japanese ancestry and were living on the West Coast The Cross on Castle Rock chronicles the World War II years which author George Nakagawa spent in American prison camps In spite of the poor food stark conditions and restrictions on freedom communal living and freedom from chores resulted in a fun filled three years for the young son of a poor immigrant farmer Endless days of school sports play and mischief making with adolescent buddies who lived together like members of the same family are the source of many of Nakagawa's best childhood memories There was also a dark side Widespread racism in America and instances of gross incompetence on the part of inexperienced camp administrators resulted in mistrust and misunderstanding This led to ruined lives and the irreparable fracturing of the closely knit Japanese American community leaving scars that have never healed There was also needless pain and suffering when the camps were suddenly closed and some of the last residents of the camps mostly the elderly were evicted leaving them homeless jobless and virtually penniless      **Too Long Ago** David
