Reed, 2015-11-12 Avenging Lincoln's Death The Trial of John Wilkes Booth's Accomplices is an examination of the 1865 military commission trial of eight alleged accomplices of John Wilkes Booth the assassin who murdered President Abraham Lincoln The book analyzes the trial transcript and other relevant evidence relating to the guilt of Booth's alleged accomplices as well as a careful application of basic constitutional law principles to the jurisdiction of the military commission and the fundamental fairness of the trial The author found that the military commission trial was unconstitutional and unfair because Congress never authorized trial by military commission for these eight civilians President Johnson exceeded the scope of his authority as commander in chief by ordering the accomplices to be tried by military commission He failed to follow the Habeas Corpus Act of 1863 that required him to turn over the alleged accomplices to civilian authorities for prosecution The accomplices were convicted on perjured testimony and the Government was allowed to drag in unrelated evidence of Confederate atrocities to poison the minds of the panel of officers *Conspiracies and Secret Societies* Brad Steiger, Sherry Steiger, 2012-06-01 The invisible world of influence and power revealed Hidden agendas uncovered Examines 250 current and historical conspiracies secret cabals and powerful groups Startling allegations Suppressed evidence Missing witnesses Assassinations Cover ups and threats Documented connections to an even deeper intrigue Allusions to the New World Order Coincidences Too many to be mere coincidence American history is replete with warnings of hidden plots by the Illuminati the Freemasons the Zionists the Roman Catholics the Communists World Bankers the Secret Government and Extra Terrestrial Invaders to name a few Separating fact from fiction this compelling work provides gripping details and presents the information without bias including hundreds of individuals organizations and events where official claims and standard explanations of actions and events remain shrouded in mystery *Conspiracies and Secret Societies The Complete Dossier* examines the most common subjects among conspiracy theorists probing and thoroughly examining cases of conspiracies and dark doings of secret societies Bring yourself up to date with the latest research and findings into historical topics plus current issues including Historical riddles the Ark of the Covenant the Holy Grail Noah's Ark the Sphinx alchemy the true relationship between Jesus and Mary Magdalene and the churches dedicated to the Black Madonna Classified background on U S Presidents Lincoln Kennedy Eisenhower Obama Reagan their advisers and more Powerful secret societies and groups the Knights Templar Freemasons Illuminati the Triads the Rosicrucians the Skull and Bones Society Scientology the Falun Gong the New World Order and Lightning from the East Government cover ups electronic spying MKUltra the John F Kennedy and Martin Luther King Jr assassinations Area 51 extraterrestrial invaders black helicopters satellite snooping FEMA the Global Bank and the Trilateral Commission Terrible secrets the BP oil spill Unit 731 and germ experiments the 2011 tsunami in Japan and Hurricane Katrina Science mysteries biochip implants genetic manipulation weather control mad cow disease AIDS HIV West Nile virus and the bizarre Morgellons disease The only way to crush these secret plots is to bring the facts to light Don't let

Cashin, 2020-09-01 Though civilians constituted the majority of the nation's population and were intimately involved with almost every aspect of the war we know little about the civilian experience of the Civil War That experience was inherently dramatic Southerners lived through the breakup of basic social and economic institutions including of course slavery Northerners witnessed the reorganization of society to fight the war And citizens of the border regions grappled with elemental questions of loyalty that reached into the family itself These original essays all commissioned from established scholars based on archival research and written for a wide readership recover the stories of civilians from Natchez to New England They address the experiences of men women and children of whites slaves and free blacks and of civilians from numerous classes Not least of these stories are the on the ground experiences of slaves seeking emancipation and the actions of white Northerners who resisted the draft Many of the authors present brand new material such as the war's effect on the sounds of daily life and on reading culture Others examine the war's premiere events including the battle of Gettysburg and the Lincoln assassination from fresh perspectives Several consider the passionate debate that broke out over how to remember the war a debate that has persisted into our own time In addition to the editor the contributors are Peter W Bardaglio William Blair W Fitzhugh Brundage Margaret S Creighton J Matthew Gallman Joseph T Glatthaar Anthony E Kaye Robert Kenzer Elizabeth D Leonard Amy E Murrell George C Rable Nina Silber Mark M Smith Mary Saracino Zboray and Ronald J Zboray Together they describe the profound transformations in community relations gender roles race relations and culture wrought by the central event in American history Fortune's Fool Terry Alford, 2015-03-17 When John Wilkes Booth assassinated President Abraham Lincoln at Ford's Theatre his friends were stunned not only by the murder but by the thought that someone they knew as fantastically gifted successful and kind hearted could commit such a crime Fortune's Fool the first biography of Booth ever written is the life story of this talented and troubling individual **Knights of the Golden Circle** David C. Keehn, 2013-04-15 Based on years of exhaustive and meticulous research David C Keehn's study provides the first comprehensive analysis of the Knights of the Golden Circle a secret southern society that initially sought to establish a slave holding empire in the Golden Circle region of Mexico the Caribbean and Central America Keehn reveals the origins rituals structure and complex history of this mysterious group including its later involvement in the secession movement Members supported southern governors in precipitating disunion filled the ranks of the nascent Confederate Army and organized rearguard actions during the Civil War The Knights of the Golden Circle emerged in 1858 when a secret society formed by a Cincinnati businessman merged with the pro expansionist Order of the Lone Star which already had 15 000 members The following year the Knights began publishing their own newspaper and established their headquarters in Washington D C In 1860 during their first attempt to create the Golden Circle several thousand Knights assembled in southern Texas to colonize northern Mexico Due to insufficient resources and

organizational shortfalls however that filibuster failed Later the Knights shifted their focus and began pushing for disunion spearheading secession rallies and intimidating Unionists in the South They appointed regional military commanders from the ranks of the South's major political and military figures including men such as Elkanah Greer of Texas Paul J Semmes of Georgia Robert C Tyler of Maryland and Virginius D Groner of Virginia Followers also established allies with the South's rabidly secessionist fire eaters which included individuals such as Barnwell Rhett Louis Wigfall Henry Wise and William Yancey According to Keehn the Knights likely carried out a variety of other clandestine actions before the Civil War including attempts by insurgents to take over federal forts in Virginia and North Carolina the activation of pro-southern militia around Washington D C and a planned assassination of Abraham Lincoln as he passed through Baltimore in early 1861 on the way to his inauguration Once the fighting began the Knights helped build the emerging Confederate Army and assisted with the pro-Confederate Copperhead movement in northern states With the war all but lost various Knights supported one of their members John Wilkes Booth in his plot to assassinate President Lincoln Keehn's fast paced engaging narrative demonstrates that the Knights influence proved more substantial than historians have traditionally assumed and provides a new perspective on southern secession and the outbreak of the Civil War **New Books** National Defense University.
