Shared Stories, Rival Tellings Robert C. Gregg,2015-08-05 In Shared Stories Rival Tellings Robert Gregg performs a comparative investigation of how Jewish Christian and Muslim interpreters both writers and artists developed their distinctive and exclusionary understandings of narratives common to their three Holy Books Cain and Abel Sara and Hagar Joseph and Potiphar s Wife Jonah and the Whale and Mary the Mother of Jesus *Olivet Discourse Decoded* Thomas Lynn Burrows,2025-01-22 Jesus speaks in parables they are also riddles You need the Holy Spirit s guidance to be shown that riddle Luke 8 17 says For nothing is secret that shall not be made manifest neither anything hid that shall not be made known and come abroad This will happen in Christ s timing this being on the cusp of these things occurring Christ is making these riddles known The scripture is a riddle and I will show you that I have been chosen to show you the true meaning of the Olivet Discourse Matthew chapter 24 Mark chapter 13 and Luke chapter 21 all the same story with a bit of twist This book singles out Matthew chapter 24 Timothy LaHaye with the Left Behind series shows us the events after the Rapture This book shows you that the Rapture is eminent or nigh The truth was revealed with confirmation Just as Thomas needed confirmation

The Protevangelium of James George T. Zervos,2019-08-22 George T Zervos presents the first in a two volume critical investigation of one of the earliest and most important of the New Testament Apocrypha the Protevangelium of James also known as the Infancy Gospel of James Zervos challenges the prevailing view that the ProtJas is a 2nd century unitary document finding it instead to be the product of an ongoing redactional process in which a 1st century CE heretical text was progressively conformed to the orthodox Christian doctrine of the time Zervos tells the story of how an early apocryphal gospel provided the developing church with doctrinal material which was incorporated into both the theology and the ecclesiastical liturgical cycle of the medieval Church thus becoming a significant part of the standard catechism for generations of Christians In this first volume Zervos provides a critical introduction to the text and discusses ProtJas

publication history scholarly investigation compositional problems and evidence of redaction as well as a in depth analysis of the narrative For the first time the readings of the vast majority of the known Greek manuscripts appear together with a transcription of the original text of the complete copy of the ProtJas found in Papyrus Bodmer V **Believable** Wade Milam,2024-03-15 What if you had proof that the resurrection happened Real tangible evidence Skeptics and many Christians today see it as an impossibility They think the story of the resurrection is at best a metaphor meant to reveal deeper truths or at worst completely fabricated folklore Most discard it as a wild tale hastily made up by Jesus followers to try and give some meaning to his death However careful study of Old Testament stories written thousands of years ago will show that God planned the resurrection long before Jesus walked the earth A careful look at the content and historical context of these accounts will show that they reveal many specific details of Jesus life ministry and ultimate resurrection ages before they came to pass Specifically the five biographies examined here will show that God laid out his plan for Jesus thousands of years ago and left the blueprints in the history of the Israelite nation as proof for anyone who takes the time to seek it out **The Annunciation to Mary** Eugene LaVerdiere,2004 This book presents a thorough and enjoyable examination of the Annunciation to Mary in salvation history Eugene LaVerdiere SSS noted scripture scholar enters into Luke s story of the Annunciation to Mary as an ardent connoisseur of art might enter into a painting to view it from the inside Noting the tradition that Luke was an artist LaVerdiere explores Luke s account of the Annunciation in ways that reveal the Evangelist s artistry as a storyteller his theology and his faith Each of the six chapters at the heart of the book examines a particular phase of the Annunciation story from linguistic and theological points of view LaVerdiere s scholarship and deep faith lead the reader to a deeper and fuller appreciation of the Evangelist s artistry as well as to a consideration of the depth of the mystery revealed in the scriptural account Readers will find LaVerdiere s analysis not only thorough and professional but also enlightening and evocative Book jacket [A Synopsis of the Apocryphal Nativity and Infancy Narratives](#) James Keith Elliott,2016-03-11 Early Christians built on the stories of Jesus and Mary s birth and childhood Their later accounts many of them found nowadays among collections of non canonical apocryphal texts are important and interesting They give insights into the growth of Christian theology especially concerning the role and status of Mary and also the way in which the earliest stories were elaborated and interpreted in popular folk religion A range of the earliest accounts is presented here in fresh translations This second edition contains some texts originally in a variety of different languages such as Armenian Ethiopic Coptic and Irish not available at the time of the first edition The texts are arranged in small units and synoptically in order to permit readers to compare texts and to see the differences and similarities between them J K Elliott has selected and arranged the texts and he provides introductory and concluding chapters He also includes a full and helpful bibliography to benefit readers who may wish to pursue this comparative study more deeply **The Cambridge Companion to Jesus** Markus Bockmuehl,2001-11-08 This Companion takes as its starting point the realization that Jesus of Nazareth cannot be

studied purely as a subject of ancient history a man like any other man History literature theology and the dynamic of a living worldwide religious reality all appropriately impinge on the study of Jesus The two parts of the book roughly correspond to the interdependent tasks of historical description and critical and theological reflection It incorporates the most up to date historical work on Jesus the Jew with the bigger issues of critical method the story of Christian faith and study and Jesus in a global church and in the encounter with Judaism and Islam Written by seventeen leading international scholars the book encourages students of the historical Jesus to discover the vital contribution of theology and students of doctrine to engage the Christ of faith as Jesus the first century Jew

The Story Ripples of the Bible Elisabeta Karp, 2025-06-25 The Bible is more into showing than telling When it wants to teach important and prophetic truths it takes its time telling true stories And storytelling in Scripture works like a ripple effect It sets off a current of events and experiences that repeat expand connect develop and slowly move toward something or someone Bible stories build Bible prophecy The beloved stories readers grew up with like David and Goliath also contain frequent flashbacks to past stories so as to foreshadow the future As the grand narrative progresses from the Old to the New Testament these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match So like Jesus disciples on the road to Emmaus readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth As people discover how the Bible s stories ripple toward Messiah their own stories will too
