Tiessen, 2009-09-20 Throughout history millions have lived and died without hearing the gospel of Jesus Christ Despite vigorous missionary efforts large populations of the world today have never been evangelized And now religious pluralism has set up shop on Main Street The question Who can be saved forces itself on the minds of Christians like never before Is there a wideness in God's mercy Does God reveal himself in a way that invites all people to respond positively in saving faith Does one have to be an Arminian to believe so Or is there a way for Calvinists to see how God might reveal and save apart from the explicit gospel and yet exclusively through Jesus Christ And if so what does this say about the role of religions within the sovereign providence of God These are big questions requiring thoughtful care In this intriguing study Terrance L. Tiessen reassesses the questions of salvation and the role of religions and offers a proposal that is biblically rooted theologically articulated and missiologically sensitive This is a book that will set new terms for the discussion of these important issues **Edgar Rice Burroughs** Jimmie C. Goodwin, 2020-02-28 The definitive guide to two of the most prolific

paperback publishers of the stories of Edgar Rice Burroughs The book includes all known printings and variations of both the United States and Canadian editions Images throughout show ad pages and other pertinent information The book gives detailed information on variations of the books about such things as publishers address ad pages edge variations size variations and others **Modern Humans** Rebecca Stefoff,2010-01-15 Take a step back in time to explore modern humans
