The Perfect Harmony Of The Old And New Testaments:

The Divine Unity of Scripture Adolph Saphir, 1892 These lectures of Dr Saphir were delivered in Kensington at the close of 1889 and beginning of 1890 They are in some respects the most important of all his writings as they give in connected form his matured views of the relation of the two great divisions of the Bible No preacher or writer of our day had such a clear insight into the spirit and connection of the sacred writings This was the great charm of his preaching which made it so attractive to many earnest minded Christians of all churches Preface
