The Perfect Place:

Best Places to Stay in Florida Christine Davidson, 2000 The most comprehensive guide to outstanding distinctive lodging options in Florida No fee accepted for inclusion It s a fact travelers to Florida spend more on lodging than on any other aspect of their vacation Many return home disappointed because their hotel was overpriced was located across a busy highway from the beach or was an hour s drive from Disney World This completely revised and updated edition of BEST PLACES TO STAY IN FLORIDA provides thoughtful detailed descriptions of a variety of accommodation options in Florida s six main regions the Northeast Coast the Panhandle Central Florida and Disney World the Southeast Coast the Keys and the Gulf Coast The discerning honest reviews in this book can help you find a lodging choice that suits your specific needs and tastes Beachside Hotels Island Getaways Victorian B Bs Resorts and Spas Intimate Inns Budget Finds THE AWAKENING ANUJ BHATNAGAR, Preface The story of Lord Buddha is the most read story in the world This is one story that is beyond the boundaries of religion culture and society The story is being told and retold for almost more than two thousand and five hundred years yet what happened at that time from the birth of prince Siddhartha till he attained his Nirvana is very enigmatic Not much written evidence is available for that while lot of literature is available for what happened after Nirvana This story is just an attempt to tell the world what would have happened at that time when seen in the logical context of human boundaries This story is only upto the point when monk Gautam attains Nirvana Further attempt to tell the story after Nirvana when Gautam became Buddha will be made after the outcome of this attempt We know some stories connected with prince Siddhartha his life and these stories are scattered here and there in various books Jatakas contain the previous birth stories of Lord Buddha But there is no such consolidated book which can be ascribed to prince Siddhartha s life The author has made an attempt to collect all such stories and thread them into a garland The result is this book In the attempt some literary and fictional additions have been done But in the end the author is sure that the readers will like the storyline Kapilvastu was not a huge kingdom Its name is not included in the sixteen or twelve Mahajanpadas It clearly indicates that Kapilvastu was a small principality within the kingdom of Kosala The rulers of Kapilvastu were descendants of great Ikshavaku who was also ancestor of the rulers of Kosala It clearly means that the rulers of Kapilvastu and Kosala were related by blood And as per the tradition the throne was passed to the eldest son of the king and the younger son became vassal ruling small principalities within the kingdom owing allegiance to the king This would have happened at that time too within the kingdom of Kosala The story has been developed accordingly Kapilvastu was surrounded by Mahajanpadas and as such its polity was influenced by the neighboring kingdoms Many events happened in the neighbouring kingdoms and that had a bearing in the future of Kapilvastu and hence Siddhartha These events have also been included in this story to give the story a flow These incidences and events are of historical significance and happened around the same time though the interpretation of these events is of author s own Some texts point out to the fact that Siddhartha was married to Yashodhara

a princess from the neighbouring kingdom of Koliya Some texts point out that Siddhartha had three wives namely Yashodhara daughter of Dandapani Mrigdja daughter of Kinkinishwar and Gopa daughter of Kanika It is not sure which one is the right fact In this book Siddhartha is shown to be married only to Yashodhara as the Shakyas wanted to preserve their lineage hence marriage within community was allowed Also one man one woman formula was propagated Thus it would have been not possible for Siddhartha to marry three girls The purity of Shakyas race was declared by the Buddha himself in Ambattha Sutta The predictions of sage Asita were not told to Prince Siddhartha till this was finally revealed to him All through his life as a prince Siddhartha was kept away from four signs sage Asita told an old decrepit man a diseased man a dead man and a monk In this story it is emphasized that king Shuddhodana had forbidden presence of anybody who could remind Siddhartha about these signs Siddhartha virtually grew in controls of the palace This is author's idea to develop the story forward The author is of belief that Buddhism was born after Buddha i.e. after Siddhartha attained nirvana Before Buddhism there was Vedic religion and the Vedic philosophy The same concept is used in this book to show what Siddhartha was taught by his teachers Master Arada Kalama and Master Udraka Ramputra Arada is depicted as an exponent of Raj Yoga techniques whereas Udraka is depicted as master of Hatha Yoga techniques Siddhartha learnt both these techniques under these masters This can be seen in the various teachings of Lord Buddha In the Heart Sutta Buddha explains about emptiness and form This is nothing but something that can be explained and attained through combination of Raj yoga Hatha Yoga and Laya Yoga The author would like to mention that the philosophy depicted in the book have been told to him by his guru Shri Shri Shibendu Lahiri and sometimes it is verbatim And what has been given in the book is just a drop in the ocean There is much more to learn from him In the book an attempt is made to describe the psychology of Prince Devdatta his extreme hatred for Siddhartha and why he hated Siddhartha Due to this hatred only Devdatta tried many times to kill Prince Siddhartha then Lord Buddha after Siddhartha attained nirvana Till Siddhartha was born Devdatta was heir apparent to the throne of Kapilvastu He was eldest in the entire family for four brothers Shuddhodana Shuklodana Amritodana and Dronodana Shuddhodana's wife Queen Mayadevi could not conceive for almost twenty years after their marriage Though there is no concrete evidence to say that yet it is widely perceived to be like this only In some texts Devdatta is the son of Suprabuddha of Devdaha In the end of this preface the entire genealogy of Lord Buddha whichever the author could gather is presented for ready reference And after Siddhartha was born and he became the heir to the throne of Kapilvastu being elder son of the king This incidence and many more such incidences where Siddhartha was given preference over other princes due to the stories associated with his birth cemented Devdatta's resolution to get rid of Siddhartha Readers will not find story of Devdatta out of context in this book In the concluding part of book the Mara is shown to take a human form Though this is not possible for the negativity to take a form but it was essential to depict the fight monk Gautama had undergone with himself with his own negativity Only after defeat of his negativity he could attain nirvana Everybody has to fight with his Mara one day or the

other but the fight monk Gautam had with his Maara shows how the negativity sometimes controls the thoughts of even profound persons like monk Gautam. The author is sure that readers would like the depiction of fight between Gautam and his negativity. In order to take the story forward the protagonist should always have some companion to express his mind. Thus the protagonist of this story Siddhartha and later Gautam is shown always in company of somebody Channa Yashodhara or Kondinya. Actually Kondinya may not have met Gautam during his travel to Vaishali but it is shown just to carry the story forward. The story contains many words which are not from English language but from Sanskrit or Pali or Hindi. These words are in italics and their meaning is in the other chapter after preface. These words are used as they explain the situation better than any phrase or word in English. In the end it is hoped that this attempt by the author will be appreciated by the readers. This story should be read as story and not as an attempt to rewrite history. Many incidences and characters may not fall in line with the thinking of people having knowledge about Buddhism. This is a work of fiction and should be taken likewise. However author welcomes the comments from the readers.

The Perfect Place Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Perfect Place free PDF files is Open Library. With its vast collection of over 1

million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Perfect Place free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Perfect Place free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Perfect Place. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Perfect Place any PDF files. With these platforms, the world of PDF downloads is just a click away.
