Conrad Hyers, 1987-01-01 Recognizing a playful spirit as part of our human makeup Conrad Hyers shows how laughter and humor are integral to our serious study of the Bible He opens the joy of understanding the Bible in its fullness With the darker realities of the Bible sin suffering and death there coexists a lighter side laughter humor and playfulness Competent biblical study requires both perspectives This highly readable preachable and teachable work gives ministers students lay readers a valuable tool for recovering the spirit and offers a chance to share in the celebration of life and the divine comedy of faith hope and love **Matthew** Jason K. Lee, William M. Marsh, 2021-11-23 The sixteenth century Reformers turned to Scripture to find the truth of God's Word but that doesn't mean they always agreed on how to interpret it This RCS volume guides readers through a wealth of early modern commentary on the book of Matthew drawing upon a variety of resources and voices from a diversity of theological traditions **The Complete Preacher** Isaac Kaufman Funk, 1895 *Faithful Presence* Bill Haslam, 2021-05-25 Two term governor of Tennessee Bill Haslam reveals how faith too often divisive and contentious can be a redemptive and unifying presence in the public square As a former mayor and governor Bill Haslam has long been at the center of politics and policy on local state and federal levels And he has consistently been guided by his faith which influenced his actions on issues ranging from capital punishment to pardons health care to abortion welfare to free college tuition Yet the place of faith in

public life has been hotly debated since our nation's founding and the relationship of church and state remains contentious to this day and for good reason Too often Bill Haslam argues Christians end up shaping their faith to fit their politics rather than forming their politics to their faith They seem to forget their calling is to be used by God in service of others rather than to use God to reach their own desires and ends Faithful Presence calls for a different way Drawing upon his years of public service Haslam casts a remarkable vision for the redemptive role of faith in politics while examining some of the most complex issues of our time including partisanship in our divided era the most essential character trait for a public servant how we cannot escape legislating morality the answer to perpetual outrage and how to think about the separation of church and state For Christians ready to be salt and light as well as for those of a different faith or no faith at all Faithful Presence argues that faith can be a redemptive healing presence in the public square as it must be if our nation is to flourish **The Universalist Leader** ,1928 New Testament Survey Merrill C. Tenney,1985-08-28 Written in a clear non technical style New Testament Survey is an analytical and historical survey which sets forth the message of the New Testament against a fully integrated picture of the world of the first century **The Pulpit** ,1893
