elements a little wolf stuff not really bloody maybe a little silly though Nowadays with all the vampire and werewolf stories they get too bloody and violent Mine is more on the side of keeping the people more sheeplike not wolfish as opposed to the violence and bloodshed in movies and stories today Donavan the main character goes into a dream world one night in a cabin in the Canadian Rockies and sees his late mother and father and others and a story unwinds in his mind and tells him who his father really is The saga goes from Kansas to Canada Ireland then Scotch Highlands Like I said it might be a little silly and a little mixed up but all in all I think it s good reading especially the intimate parts **Election of William Lorimer** United States.
