

Sirens Of Dunkirk

B Lingard

Sirens Of Dunkirk:

Sirens of Dunkirk Leo Kessler, 2004 Whilst the head of the German Secret Service is trying to flood the UK with spies Dalby and Mackenzie plan to destroy the Dunkirk brothel and its deadly females who are spying on the troops They have to identify a German radio operator stop a German attack on Dunkirk and help the army to escape to Blighty The Fighting Fleets Ralph Delahaye Paine, 1918 **The Sirens of Wartime Radio and How the American Print Media Presented Them** Scott A. Morton, 2020-10-05 The Sirens of Wartime Radio and How the American Print Media Presented Them The Stories the Intrigue and the Evolving Coverage of Their Legacies analyzes press coverage from the American print media that helped construct popular images of Tokyo Rose Axis Sally Seoul City Sue and Hanoi Hannah Coverage of these radio sirens essentially constructed and defined these women s legacies for an American audience Scott A Morton examines newspaper and magazine coverage from the periods of each broadcaster and in doing so analyzes four primary research inquires Morton discusses how American newspapers and magazines portrayed each woman to American readers how the American mass media s portrayal of them evolved overtime from the mid 1940s through the present the ways in which the American mass media responded to these five female propagandists either directly or indirectly through print radio and visual media and how the legacy of each woman has been kept alive in popular culture in the decades since their last broadcasts Morton argues that for the most part coverage of the sirens was borne out of fascination and aversion fascination stemming from the novelty of women acting as high profile agents of enemy propaganda organizations and aversion stemming from the potential power they had over U S servicemen and the fact that they were viewed as traitors to the U S Scholars of media studies history and international relations will find this book particularly useful *Scientific American*, 1896 *My Small Share* Ernest W. Pettifer, 2014-06-03 The diary gives a vivid picture of the relentless bombardment of Dunkirk from the air from the sea and from canons situated behind German lines over 20 miles away The work of the hospital was a barometer of the action at the front and was itself under constant threat It was moved to a less vulnerable location in the Spring of 1918 following an emergency night time evacuation after bombing Shortly after this move the threat posed by the rapid advance of the German Spring offensive meant that they had to prepare for the possibility of leaving Dunkirk altogether In the diary Ernest reveals his deep interest in nature and wild life especially birds There are fascinating descriptions of French civilians managing to survive in the most unpromising circumstances Ernest often has responsibility for managing casualties suffering from serious psychological damage In the final months he moves through scenes of appalling devastation to work in Courtrai where the patients are largely civilians The diary is very fully illustrated with original photos postcards drawings and press cuttings collected at the time by the author **A History of the 17th Aero Squadron ...December, 1918** Frederick Mortimer Clapp, 1920 Georges Guynemer Henry Bordeaux, 1918 Georges Guynemer 24 December 1894 11 September 1917 missing was a top fighter ace for France during World War I and a French

national hero at the time of his death Wikipedia The Siren Years Charles Ritchie,2011-10-05 Charles Ritchie one of Canada's most distinguished diplomats was a born diarist a man whose daily record of his life is so well written that it leaps from the page In wartime England Ritchie as Second Secretary at the Canadian High Commission served as private secretary to Vincent Massey whose second in command was Lester B Pearson future prime minister of Canada In a perfect position to observe both statecraft and the London social whirl that continued even during the war Ritchie provides a fascinating perceptive and surprisingly humorous picture of the London Blitz the people in the parks the shabby streets the heightened love affairs and the vagaries of the British at war There are also glimpses of the great and portraits of noted artists and writers that he knew well A vivid document of a period and a wonderful piece of writing *The Siren Years* has become a classic

Forgotten Voices Of The Second World War Max Arthur,2012-06-30 The Imperial War Museum holds a vast archive of interviews with soldiers sailors airmen and civilians of most nationalities who saw action during WW2 As in the highly acclaimed *Forgotten Voices of the Great War* Max Arthur and his team of researchers spent hundreds of hours digging deep into this unique archive uncovering tapes many of which have not been listened to since they were created in the early 1970s The result will be the first complete oral history of World War 2 We hear at first from British German and Commonwealth soldiers and civilians Accounts of the impact of U S involvement after Pearl Harbour and the major effects it had on the war in Europe and the Far East is chronicled in startling detail including compelling interviews from U S and British troops who fought against the Japanese Continuing through from D Day to the Rhine Crossing and the dropping of the Atom Bomb in August 1945 this book is a unique testimony to one of the world's most dreadful conflicts One of the hallmarks of Max Arthur's work is the way he involves those left behind on the home front as well as those working in factories or essential services Their voices will not be neglected **The Little Corner Never Conquered** John Van Schaick,1922
