Trailsmen #267: California Casualties Jon Sharpe, 2004-01-06 Fargo tangles with a terrible town tyrant Skye Fargo has seen more than his fair share of hangings So when he ambles into a midnight neck stretching party on the California coastline he knows something ain't right at the end of the rope When he saves the doomed man all hell breaks loose with even more people dead and Fargo riding the rough side of a vicious town boss the mannerly Del Manning There's more going on than meets the Trailsmen's eagle eye though when some concerned citizens hire Fargo to help take down Manning by hook or crook But no sooner does Fargo get involved than he's accused of a cold blooded murder and must ride for his life with a big bounty on his head and every local gun looking to blow it clean off *Mystical and Mythological Explanatory Works of Assyrian and Babylonian Scholars* Alasdair Livingstone, 2007 The cuneiform literature of ancient Mesopotamia is vast ranging from economic texts other sorts of record keeping documents and letters through texts that modern readers consider literary including one category that is often considered esoteric The latter works appear to be attempts on the part of the ancient scribe scholars to explain parts of their own culture to elucidate their own traditions In the mid 1980s Alasdair

Livingstone studied these texts and then published the collection he had gathered These texts demonstrate that the Assyrian and Babylonian scholars responsible for their creation had their own distinctive ideas about the function of myth and ritual Livingstone's study was first published in 1986 by Oxford University Press but has been out of print for a number of years Eisenbrauns is happy to make it available once again in a quality hardback reprint *Man and His Salvation* Samuel George Frederick Brandon,1973 *Old Times' Sake* James Reasoner,2007-11 **Hollywood's West** Peter C. Rollins,John E. O'Connor,2005-11-11 An excellent study that should interest film buffs academics and non academics alike Journal of the West Hollywood's West examines popular perceptions of the frontier as a defining feature of American identity and history Seventeen essays by prominent film scholars illuminate the allure of life on the edge of civilization and analyze how this region has been represented on big and small screens Differing characterizations of the frontier in modern popular culture reveal numerous truths about American consciousness and provide insights into many classic Western films and television programs from RKO's 1931 classic *Cimarron* to Turner Network Television's recent made for TV movies Covering topics such as the portrayal of race women myth and nostalgia Hollywood's West makes a significant contribution to the understanding of how Westerns have shaped our nation's opinions and beliefs often using the frontier as metaphor for contemporary issues
