within this common style Where many argue nineteenth century women s humor constitutes a genre unto itself Camfield finds that like women men filtered reaction to the constraints and opportunities of home life through genial comedy and that women like their male counterparts wrote humor marked by extravagance expansion caricature fantasy and posturing Broadening out to an intriguing consideration of humor theory in part III Camfield draws on recent work in psychology culture studies neo pragmatist philosophy and neuroscience to model a compelling alternative view of humor capable of negotiating both the complexities of nineteenth century American humor and the comic art of periods before and since Students and scholars of humor nineteenth century American literature and culture and women s writing will find Necessary Madness to be a provocative essential achievement Proceedings of the Sixth International Conference on Language, Literature, Culture, and Education (ICOLLITE 2022) Nuria Haristiani,Yulianeta Yulianeta,Yanty Wirza,Wawan Gunawan,Ari Arifin Danuwijaya,Eri Kurniawan,Dante Darmawangsa,Suharno Suharno,Nia Nafisah,Ernie Dyah Imperiani,2023-02-10 This is an open access book The rapid advancement of technology has created new civilization in this digital era which affects almost all aspects of life including language literature culture and education The digital era brings opportunities as well as challenges that people have to deal with Thus some adjustments need to be done in order to keep up with those changes Studies on language literature culture and education need to be continuously conducted and developed to revitalize those aspects in facing the dynamic changes of the digital era In relation to this Faculty of Language and Literature Education Universitas Pendidikan Indonesia FPBS UPI hosts this year s International Conference on Language Literature and Culture ICOLLITE with the theme Revitalization of Language Literature Culture and Education in the Digital Era as a forum for experts and professionals to share their research ideas and experiences on this issue Presenters and participants are welcome to discuss and disseminate current issues and offer solutions to the challenges of our time Discussions on current trends in digital literacies are expected to pave way to learn from each other for betterment as one big society of humankind regardless of their social economic and cultural backgrounds *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library.
