Karen J. Blair

Sketchbook A Memoir Of The 1930s And The Northwest School:

Sketchbook, 1984 **Sketchbook** William Cumming, 2005 William Cumming began as a self taught artist who grew up in Tukwila a small town outside Seattle In 1937 at the age of twenty he met Morris Graves who was at that time working in Seattle for the Federal Art project of the Works Progress Administration Through Graves he soon became part of the circle of friends who came to be known as the Northwest School of artists Mark Tobey then nearing fifty the patriarchal leader of the group Kenneth Callahan and his wife Margaret a writer and critic who became Cumming's particular mentor Guy Anderson Lubin Petric and others He has taught for many years at the Art Institute of Seattle and Cornish College of the Arts Bill Cumming is at once an exceptional and successful regional artist and one of the most erudite perceptive and entertainingly cantankerous characters in this part of the world He tells what it was like to be an artist in the Great Depression tells tales out of school about such international luminaries as Mark Tobey and Morris Graves tells how the Northwest School of which he was the youngest member developed tells about the early success and ultimate failure of the Communist movement in the Far West and shows how the political economic and cultural events of a half century affected the life of a region and of its creative minority Cumming is a natural raconteur equipped with more literary wit and charm than most professional writers Tom Robbins Besides being one of the Northwest's best painters Bill Cumming has certainly had a knack for being historically speaking in the right place at the right time Beyond being good local history his **Sketchbook** is a moving sometimes chillingly perceptive and certainly fascinating glimpse into the nature of artists themselves Wesley Wehr **Sketchbook**, 1984 **Looking for Betty MacDonald** Paula Becker, 2016-09-01 Betty Bard MacDonald 1907 1958 the best selling author of *The Egg and I* and the classic *Mrs Piggie Wiggle* children's books burst onto the literary scene shortly after the end of World War II Readers embraced her memoir of her years as a young bride operating a chicken ranch on Washington's Olympic Peninsula and *The Egg and I* sold its first million copies in less than a year The public was drawn to MacDonald's vivacity her offbeat humor and her irreverent take on life In 1947 the book was made into a movie starring Fred MacMurray and Claudette Colbert and spawned a series of films featuring MacDonald's Ma and Pa Kettle characters MacDonald followed up the success of *The Egg and I* with the creation of *Mrs Piggie Wiggle* a magical woman who cures children of their bad habits and with three additional memoirs *The Plague and I* chronicling her time in a tuberculosis sanitarium just outside Seattle *Anybody Can Do Anything* recounting her madcap attempts to find work during the Great Depression and *Onions in the Stew* about her life raising two teenage daughters on Vashon Island Author Paula Becker was granted full access to Betty MacDonald's archives including materials never before seen by any researcher *Looking for Betty MacDonald* a biography of this endearing Northwest storyteller reveals the story behind the memoirs and the difference between the real Betty MacDonald and her literary persona Watch the book trailer <https://www.youtube.com/watch?v=Lr6iVK4zWk> *Bachelor Japanists* Christopher Reed, 2016-11-15 Challenging clichés of Japanism as a feminine taste *Bachelor Japanists* argues that

Japanese aesthetics were central to contests over the meanings of masculinity in the West Christopher Reed draws attention to the queerness of Japanist communities of writers collectors curators and artists in the tumultuous century between the 1860s and the 1960s Reed combines extensive archival research analysis of art architecture and literature the insights of queer theory and an appreciation of irony to explore the East West encounter through three revealing artistic milieus the Goncourt brothers and other japonistes of late nineteenth century Paris collectors and curators in turn of the century Boston and the mid twentieth century circles of artists associated with Seattle s Mark Tobey The result is a groundbreaking integration of well known and forgotten episodes and personalities that illuminates how Japanese aesthetics were used to challenge Western gender conventions These disruptive effects are sustained in Reed s analysis which undermines conventional scholarly investments in the heroism of avant garde accomplishment and ideals of cultural authenticity

American Studies Jack Salzman,1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology [Begin Again](#) Kenneth Silverman,2012-07-11 A man of extraordinary and seemingly limitless talents musician inventor composer poet and even amateur mycologist John Cage became a central figure of the avant garde early in his life and remained at that pinnacle until his death in 1992 at the age of eighty Award winning biographer Kenneth Silverman gives us the first comprehensive life of this remarkable artist Silverman begins with Cage s childhood in interwar Los Angeles and his stay in Paris from 1930 to 1931 where immersion in the burgeoning new musical and artistic movements triggered an explosion of his creativity Cage continued his studies in the United States with the seminal modern composer Arnold Schoenberg and he soon began the experiments with sound and percussion instruments that would develop into his signature work with prepared piano radio static random noise and silence Cage s unorthodox methods still influence artists in a wide range of genres and media Silverman concurrently follows Cage s rich personal life from his early marriage to his lifelong personal and professional partnership with choreographer Merce Cunningham as well as his friendships over the years with other composers artists philosophers and writers Drawing on interviews with Cage s contemporaries and friends and on the enormous archive of his letters and writings and including photographs facsimiles of musical scores and Web links to illustrative sections of his compositions Silverman gives us a biography of major significance a revelatory portrait of one of the most important cultural figures of the twentieth century *Through the Looking Glass* Richard H. Brown,2019 *Through the Looking Glass* examines John Cage s interactions and collaborations with avant garde and experimental filmmakers and in turn seeks out the implications of the audiovisual experience for the overall aesthetic surrounding Cage s career As the commercially dominant media form in the twentieth century cinema transformed the way listeners were introduced to and consumed music Cage s

quest to redefine music intentionality and expression reflect the similar transformation of music within the larger audiovisual experience of sound film This volume examines key moments in Cage s career where cinema either informed or transformed his position on the nature of sound music expression and the ontology of the musical artwork The examples point to moments of rupture within Cage s own consideration of the musical artwork pointing to newfound collision points that have a significant and heretofore unacknowledged role in Cage s notions of the audiovisual experience and the medium specific ontology of a work of art Modernism in the Pacific Northwest Patricia A. Junker, 2014 This book is published in conjunction with the exhibition Modernism in the Pacific Northwest The Mythic and the Mystical organized by the Seattle Art Museum and on view from June 19 September 7 2014 Colophon **Northwest Women** Karen J. Blair, 1997 Northwest Women features concise descriptions of more than 700 books and articles that examine the contributions of Washington and Oregon women bringing to light generations of scholarship about celebrated and anonymous women from Native American basket makers to Japanese Americans interned during World War II Northwest Women was named one of the Best Bibliographies in History by the American Library Association
