The book suggests ways to develop the underlying skills necessary for good reading through multiple pathways such as mainstream subject lessons, individual and small group support sessions, whole school initiatives, the use of reading mentors and home school liaison opportunities. Brimming with ideas and activities, Pat Guy explores a variety of different aspects of reading, including how reading is taught and why it is such an important skill for the individual, how to motivate the reluctant reader, the role played by the mainstream specialist teacher, underlying problems pupils may face, how to increase parental involvement, reasons why a pupil's comprehension might be limited, the role of the School Librarian, the relevance to reading of vocabulary and general knowledge.
