Sleeping with Bread Dennis Linn, Sheila Fabricant Linn, Matthew Linn, 1995 The Linns simplification of the Ignatian examination of conscience is a way to find daily direction experience emotional and spiritual growth and grow closer to both God and one's inner self *Walking with God 52 Weeks of the Year* Cynthia C. J. Shoemaker, 2010-09-23 These meditations written over a 14 to 25 period began with a goal of 365 days but became *Walking with God 52 Weeks of the Year* and 300 days to allow for a weekend day and holidays Prayers that are appropriate for individuals workplace concerns world events child raising family living and children as they reach young adulthood are here Each single day and meditation or essay is meant to stand alone **I Quit!** Geri Scazzero, 2010-09-07 Do you ever think My soul can't take this anymore Geri Scazzero discovered real life and joy with Christ really begins when we stop pretending everything is fine Summoning the courage to quit that which does not belong to Jesus kingdom launches you on a powerful journey one that will change you and everyone around you We Learn about Our Parish Church Teaching Edition Teresa Marshall, 2010-03-12 Recovering Abundance Andy Stanton-Henry, 2022-03-29 *Recovering Abundance Twelve Practices for Small Town Leaders* invites readers to live a new story to join a movement of renewal for small towns and rural communities Andy Stanton Henry provides twelve civic spiritual practices rooted in Jesus's miracle among the multitude that rural and small town leaders can use to renew their congregations and communities Each chapter explores how one practice was demonstrated in the story has been embodied in small town and rural leaders and communities and can be applied today Through these twelve practices Stanton Henry helps readers tune in to an alternative story one he discovered in his own rural Ohio community Yes he saw the commonly lamented decline and devastation that have brought suffering to rural Americans and that seem to foster resentment and despair However as he dug deeper into the stories of his neighbors he began to notice that small towns and rural regions are working They are working to build inclusive thriving local economies to weave a welcoming social fabric in their region to cocreate a positive future following the practices he explores in this book *Recovering Abundance* is a new story about the agency and creativity of what Stanton Henry calls ordinary leaders not a story about scarcity and deprivation but one of abundance and generosity **The Developing Christian** Peter Feldmeier, 2007 Charts spiritual progress through the life cycle by being attentive to classical and modern models of human development and spiritual progress **Making Sense of Motherhood** Beth M. Stovell, 2016-02-02 *Motherhood* provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood's meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and

theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood **On Our Way** Dorothy Bass,Susan
