Touch Him and Stop That Bleeding Sebastien Kema-Kema, 2010-09-02 Everyone in this lifetime has bled in one or more areas in their life, be it physically, emotionally, or spiritually. Many have been able to stop these bleedings, but for most, the bleedings still persist. In *Touch Him and Stop That Bleeding*, author Dr. Sebastien Kema Kema draws inspiration from the woman with the issue of blood in the Bible and sets out principles by which people can actually bring a stop to any bleeding area of their lives. As readers immerse in this insightful book, they will know various areas in life where they can bleed and learn how to stop the bleeding in these areas by touching Jesus. They will also learn how to touch Jesus in this dispensation that He is not physically present by touching the Word of God. The author goes further to show readers how to actually touch Jesus by touching the Word. The author says there is no need to bleed anymore. People do not have to spend all that they have acquired to stop the bleedings in their lives. If they can only touch the Lord Jesus by touching His Word, in other words, believe His Word and act on the Word, then the bleedings will stop.
