Sense of Society by Ian Marsh and Mike Keating 0582823129 Classic and Contemporary Readings in Sociology by Ian Marsh Rosie Campbell and Mike Keating 058232023 Value Pack: Sociology Ian Marsh, Nicholas Abercrombie, 2006-01-09 This pack consists of Marsh Sociology and the Penguin Dictionary of Sociology **Imagining Society** Nehring, Daniel, Kerrigan, Dylan, 2020-02-26 Re-examining C Wright Mills's legacy as a jumping off point this original introduction to sociology illuminates global concepts, themes and practices that are fundamental to the discipline. It makes a case for the importance of developing a sociological imagination and provides the steps for how readers can do that. The unique text offers succinct and wide-ranging coverage of many of the most important themes and concepts taught in first-year sociology courses. Has a global framework and case material which engages with decoloniality and critiques an overly white western and developed world view of sociology. Is woven through with contemporary examples from social media to social inequality, big data to the self-help industry. Rethinks and reimagines what a critically committed, politically engaged and publicly relevant sociology should look like in the 21st century. This is a lively, engaging and accessible overview of sociology for all its students, teachers and people who want to learn more about sociology today. It is a welcome clarion call for sociology's importance in public life.
