Stebbins,2020-07-25 The Serious Leisure Perspective SLP is a theoretic framework developed by Robert A Stebbins in 1973 that brings together three main forms of leisure known as serious leisure casual leisure and project based leisure The SLP has evolved

considerably since 1973 and this textbook provides a synthesis of the many concepts and propositions as well as the data supporting them. In this overview Stebbins organizes the entire framework along conceptual lines with careful attention to level of empirical support and validation of each concept, presenting an up-to-date version of the SLP that allows interested students and researchers of social psychology, sociology, and leisure studies to pinpoint exact elements of the theory, the empirical base, and its application.

**Women, Pleasure and the Gambling Experience** Emma Casey, 2016-02-17

Drawing on a broad range of historical and sociological literature, this book traces the everyday gambling experiences of a diverse group of women. It provides fascinating and original insights into the pleasures afforded to women through their gambling participation and draws on a variety of feminist literature to understand women's motivations and experience of play and to examine the ways in which women negotiate their right to gamble without reprimand. Since gambling tends to be framed within moral discourses of danger and excess, this book offers a defence of women's decisions to gamble against an often hostile backdrop. It rewrites claims that gambling is meaningless and reckless spending by pointing instead to the highly complex strategies that women who gamble employ. Importantly, it adds to contemporary feminist debates about women's leisure by showing how women seize control of their lives in order to carve out a time and space for the pursuit of pleasure.
