Essentials of Sociology Leonard Broom, Philip Selznick, 1979 *Introduction to Sociology* Anthony Giddens, Mitchell Duneier, Richard P. Appelbaum, 2007 Introduction to Sociology Sixth Edition organizes the core concepts of modern sociology around the unifying theme of globalization Taking a comparative approach the authors examine American society in a global and historical context underscoring the wide diversity of social forms and social change The authors emphasize the connections between American and world societies and the integral role of individuals in shaping both local and global society Retaining the hallmark clarity of previous editions the Sixth Edition has been updated to reflect the most recent sociological research and data This edition also offers expanded in text pedagogy and exceptional print and multimedia resources for students and instructors **Sociology. Sixth Edition [of "An Introduction to Sociology and Social Problems", by D.M. Jensen], Etc** Jessie Bernard, Deborah MacLurg Jensen, 1962 *Handbook of Medical Sociology, Sixth Edition* Chloe E. Bird, Peter Conrad, Allen M. Fremont, Stefan Timmermans, 2010-11-29 The latest version of an important academic resource published about once a decade since 1963 *Sociology* Anthony Giddens, 2009-06-02 The sixth edition of Anthony Giddens Sociology is the best yet Revised and updated throughout it provides an authoritative overview of recent global developments and new ideas in sociology Classic debates are also given careful coverage with even the most complex ideas explained in an engaging way Written in a fluent easy to follow style the book manages to be intellectually rigorous but still very accessible It aims to engage and excite readers helping them to see the value of thinking sociologically The sixth edition includes substantive new material on education media social theory inequalities politics and government and a whole new chapter on war and terrorism further revisions and updating in all the chapters a strong focus on global sociology and the sociological imagination new classic studies boxes which examine in detail influential empirical research additional thinking critically sections woven through the text to stimulate students own insights specially chosen eye catching photographs which capture the everyday drama of the social world A best selling textbook for more than 20 years the sixth edition sets the standard for introductory sociology It is the ideal teaching text for first year University and college courses and will help to inspire a new generation of sociologists Please visit the accompanying website at www.politybooks.com/giddens6 *Politics of Climate Change* Anthony Giddens, 2009-05-05 Climate change differs from any other problem that as collective humanity we face today If it goes unchecked the consequences are likely to be catastrophic for human life on earth Yet for most people and for many policy makers too it tends to be a back of the mind issue This book argues controversially we do not have a systematic politics of climate change Politics as usual won't allow us to deal with the problems we face while the recipes of the main challenger to orthodox politics the green movement are flawed at source cover *Sociology* Michael D. Hughes, Carolyn J. Kroehler, James Wilfrid Vander Zanden, 2002 Highly respected for its quality scholarship and its focused straightforward approach to Sociology the sixth edition of Sociology The Core returns to the core concept with

tighter briefer more accessible presentation and a very accessible price Michael Hughes of Virginia Polytechnic State University and Carolyn Kroehler a professional writer have revised the work of James Vander Zanden who is now Emeritus Professor of the Ohio State University As in the previous editions the functionalist conflict and interactionist perspectives are applied throughout the book allowing students to develop a solid understanding of the major sociological perspectives and their applications to the topics covered Sociology The Core seeks to make sociology come alive as a vital and exciting field to relate principles to real world circumstances and to attune students to the dynamic processes of our rapidly changing contemporary society The authors have kept this book completely up to date including data from the 2000 Census whenever possible and new student examples capitalizing on students desire to read about issues of interest to them *Catalog of Copyright Entries.
