Socrates In Love:

Socrates in Love Armand D'Angour, 2019-03-07 An innovative and insightful exploration of the passionate early life of Socrates and the influences that led him to become the first and greatest of philosophers Socrates the philosopher whose questioning gave birth to the ideas of Western thought and whose execution marked the end of the Athenian Golden Age Yet despite his pre eminence among the great thinkers of history little of his life story is known What we know tends to begin in his middle age and end with his trial and death Our conception of Socrates has relied upon Plato and Xenophon men who met him when he was in his fifties and a well known figure in war torn Athens There is mystery at the heart of Socrates story what turned the young Socrates into a philosopher What drove him to pursue with such persistence at the cost of social acceptance and ultimately of his life a whole new way of thinking about the meaning of existence In this revisionist biography Armand D Angour draws on neglected sources to explore the passions and motivations of young Socrates showing how love transformed him into the philosopher he was to become What emerges is the figure of Socrates as never previously portrayed a heroic warrior an athletic wrestler and dancer and a passionate lover Socrates in Love sheds new light on the formative journey of the philosopher finally revealing the identity of the woman who Socrates claimed inspired him to develop ideas that have captivated thinkers for 2 500 years *Socrates In Love (Manga)* Kyoichi Katayama, 2005-10-11 Romance blossoms between an average high school guy and a beautiful girl but the romance takes a bitter turn when the girl falls ill with leukemia Socrates in Love Christopher Phillips, 2011-01-17 Phillips takes philosophy out of the ivory tower and into the street Los Angeles Times Christopher Phillips goes to the heart of philosophy and Socratic discourse to discover what we are all looking for the kind of love that makes life worthwhile That is love not defined only as eros or erotic love but in all its classical varieties Love of neighbor love of country love of God love of life and love of wisdom each is clarified and invigorated in Phillips s Socratic dialogues with people from all walks of life and from all over the world *Socrates on Love* Socrates, 1904* **The Philosophy of (erotic) Love** Robert C. Solomon, Kathleen Marie Higgins, 1991 Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world s best thinkers have brought and continue to bring to the study of love Socrates on love, 1927 **Socrates on love**, 1927 Love Pietro Archiati, 2025-04-21 The word love has become so hackneyed that it can mean almost anything Yet the concept or idea of love remains one of most unfathomable mysteries of human life Here in five carefully sculpted chapters Pietro Archiati takes up the challenge to illuminate and expand upon our understanding of this most fundamental and unique quality of human existence beginning with the great themes of Love and Hate the salt and pepper of life and concluding with Realism and Idealism Is it really possible to love the whole of humanity And how do we balance individual freedom with the ideal of fraternity Along this journey the author asks and addresses numerous questions

such as What are the causes of sympathy and antipathy and is love more than a feeling What do masculine and feminine really mean today and what role does sexuality play in freedom What value is the heart without the head and the head without the heart And what do the great religions in particular Islam and Christianity have to say on these subjects Archiati tackles the difficult and problematic topics of Love and Sexuality Love and Death and Love and Reason As a special focus he investigates the logic of the heart and what it can mean for humanity s future development **Socrates in Love**
