The Bloomsbury Handbook to Sofia Coppola Suzanne Ferriss, 2023-01-12 The Bloomsbury Handbook to Sofia

Coppola offers the first comprehensive overview of the director's impressive oeuvre. It includes individual chapters on her films including *The Virgin Suicides* (1999), *Lost in Translation* (2003), *Marie Antoinette* (2006), *Somewhere* (2010), *The Bling Ring* (2013), *The Beguiled* (2017), and *On the Rocks* (2020). While focused on her films, contributors also consider Coppola's shorter works for television, commercials, and music videos, as well as explorations of the distinct elements of her signature style: cinematography, production, costume design, music, and editing. Additional chapters provide insights into the influences on her work, its popular and scholarly reception, and interpretations of key themes and issues. The international team of contributors includes leading scholars of film, music, fashion, celebrity, and gender studies, visual and material culture, reception studies, as well as industry professionals. Their interdisciplinary insights capture the complexities of Coppola's work and its cultural significance.

Andrew Durham *Set Pictures Behind the Scenes with Sofia Coppola* (2018-02-11) **Sofia Coppola** Fiona Handyside, 2017-01-29 She has received numerous accolades including an Academy Award and two Golden Globes, and in 2004 became the first ever American woman to be nominated for a Best Director Oscar. From *The Virgin Suicides* to *The Bling Ring*, her work carves out new spaces for the expression of female subjectivity that embraces rather than rejects femininity. Fiona Handyside here considers the careful counterbalance of vulnerability with the possibilities and pleasures of being female in Coppola's films, albeit for the white and the privileged, through their recurrent themes of girlhood, fame, power, sex, and celebrity. Chapters reveal a post-feminist aesthetic that offers sustained intimate engagements with female characters. These characters inhabit luminous worlds of girlish adornments, light, and sparkle, and yet find homes in unexpected places, from hotels to swimming pools, palaces to strip clubs, resisting stereotypes and the ordinary. In this original study, Handyside brings critical attention to a rare female auteur and, in so doing, contributes to important analyses of post-feminism, authorship in film, and the growing field of girlhood studies.

Sofia Coppola Hannah Strong, 2022-05-17 An illustrated critical survey of Academy Award-winning writer and director Sofia Coppola's career, covering everything from her groundbreaking music videos through her latest films. In the two decades since her first feature film was released, Sofia Coppola has created a tonally diverse, meticulously crafted, and unapologetically hyperfeminine aesthetic across a wide range of multimedia work. Her films explore untenable relationships and the euphoria and heartbreak these entail, and Coppola develops these themes deftly and with discernment across her movies and music videos. From *The Virgin Suicides* and *Marie Antoinette* to *Lost in Translation* and *The Beguiled*, Coppola's award-nominated filmography is also unique in how its consistent visual aesthetic is informed by and in conversation with contemporary fine art and photography. Sofia Coppola offers a rich and intimate look at the overarching stylistic and thematic components of Coppola's work. In addition to critical essays about Coppola's filmography, the book will include interviews with some of her closest collaborators, including musician Jean-Benoît Dunckel and costume designer Nancy Steiner, along with a foreword by Italian filmmaker Alice Rohrwacher. It engages with her creative output while celebrating her talent as an imagemaker and storyteller. Along the way

readers meet again a cast of characters mired in the ennui of missed connections loneliness frustrated creativity rebellious adolescence and the double edged knife of celebrity all captured by the emotional intimate power of the female gaze **A Critical Companion to Sofia Coppola** Naaman Wood, Christopher Booth, 2022-08-31 The films of Sofia Coppola have moved and entranced audiences with her minimalist style moody soundscapes and commitment to centering the lives and experiences of women and girls A Critical Companion to Sofia Coppola explores the implications of her stories images and convictions in a comprehensive study of all eight of her major works Drawing from a wide range of disciplines each chapter offers a fresh interdisciplinary reading of one of Coppola's films and her treatment of core themes like masculinity sexual politics bodies and love Rigorously researched and unique the arguments presented within this volume shed new light on one of the most important women filmmakers in film history *American Photo*, 2002-05 **In the Limelight and Under the Microscope** Diane Negra, Su Holmes, 2011-03-17 This timely collection explores the politics of female celebrity across a range of contemporary and historical media contexts Amidst concerns about the apparent decline in the currency of modern fame famous for being famous as well as debates about the shifting parameters of public private visibility it is female celebrities who are positioned as the most active discursive terrain This collection seeks to interrogate such phenomena by forging a greater conceptual theoretical and historical dialogue between celebrity studies and critical gender studies It takes as its starting point the understanding that female celebrity is a particularly fraught cultural phenomenon with ideological and industrial implications that warrant careful scrutiny In moving across case studies from the 19th century to the present day this book works from the assumption that the case study should play a crucial role in generating debate about the dialogue between past and present and the individual essays seek to reflect this spirit of enquiry **American Photo**, 1994-09
