Soldier R Sas Death In Gibraltar:

Soldier R: Death on Gibraltar Shaun Clarke, 2013-12-12 In May 1987 a successful SAS ambush resulted in the deaths of eight IRA terrorists in Loughgall. Aware that retaliation was certain, British intelligence went on the alert and eventually established that the IRA had selected Gibraltar as being a soft target and one identified with British imperialism. In November the terrorism experts of Madrid's Servicios de Informaci3n informed British intelligence that two male members of the IRA had arrived in Southern Spain under false names. British intelligence assumed immediately that the two men were intending either to murder some of the British residents on the Costa del Sol or to attack a British Army target on Gibraltar. The changing guard outside the Governor of Gibraltar's residence was judged to provide the most likely opportunity for such an attack. The most likely date was 8 March 1988 when the band parade ceremony of the 1st Battalion of the Royal Anglian Regiment was due to take place. For the next few months British and Spanish intelligence services kept the two men under surveillance waiting for them to travel from Spain to Gibraltar. In February MI5 reported that an Irishwoman travelling under a false identity had repeatedly visited the rock and attended the guard ceremony. Now that there appeared to be little doubt about the target, the British government decided to send a hit team to Gibraltar to prevent the planned bombing, if necessary, by killing the terrorists. The only men even considered for this dangerous operation were the legendary Special Air Service the SAS. **Soldier R: Death on Gibraltar** tells the story of what was to become the most controversial of all SAS campaigns: a deadly cat and mouse game that called into play all the expertise and tenacity at the SAS team's disposal.

Soldier R Shaun Clarke, 1994 A fictional retelling of a true incident when the SAS shot dead three IRA terrorists intent on bombing an army parade on Gibraltar. Other titles in this series include *Kidnap the Emperor*, *Invisible Enemy in Kazakhstan* and *Night Fighters in France*.

Marine K SBS Jay Garnet, 2016-02-25 Barents Sea 1942 After a German attack HMS Edinburgh sinks into the icy depths with over five tons of Russian gold aboard, leaving boy seaman Mike Cox as one of the survivors. Forty years later, after a successful career in the Special Boat Squadron and then as a top commercial diver, Cox is obsessed with the dream of raising the treasure from its watery grave. His own plans thwarted, he is blackmailed by a greedy American arms dealer into infiltrating an intergovernmental operation to salvage the gold. Caught in a deadly trap, his only hope may be the men of his old unit, the legendary SBS. This is classic military fiction at its best.

Marine G SBS David Monnery, 2016-01-20 South China Sea 1995 Pirates rule the waves and ships are disappearing in deadly ocean blackspots. To combat these cut-throats, a SBS team is sent to Singapore to play a game of high stakes hide and seek across the tropical seas, picking up a trail which leads them north towards Hong Kong. Meanwhile, as the Communist Chinese takeover looms for the British colony, Inspector Rosalie Kai is investigating a barbaric cross-border trade in unwanted female babies. Soon both she and the SBS team find themselves in the underworld jungle, up against a criminal organization that stretches from one end of the South China Sea to the other, fighting rogue elements of the Indonesian Army, corrupt policemen and the foot soldiers of the

fearsome Triads This is classic military fiction at its best **Marine H SBS** Ian Blake,2016-01-20 Fresh from the 1943 Aegean Campaign explosives expert Sergeant Colin Tiger Tiller of the Royal Marines is selected to undergo covert training in a one man midget submarine fitted with a newly modified specialist weapon Posted to the Far East he enrolls in the Special Boat Section where he set about ruthlessly destroying Japanese supply ships among the crocodile infested mangrove swamps along the Arakan coast raiding enemy held islands and employing his deadly skills on Burma s Irrawaddy River There he receives special orders to use the midget submarine in his most dangerous raid yet Marine H SBS The Burma Offensive based on real operations mounted during World War II recounts the death defying exploits of a group of highly trained individuals pitted against the armed might of the Japanese Empire This is classic military fiction at its best **Soldier J: Counter Insurgency in Aden** Shaun Clarke,2013-12-12 In 1964 two different kinds of war were being waged simultaneously by the British in Aden The inhabitants of the forbidding mountainous region of Radfan in the north of the Republic of Yemen were conducting guerrilla attacks against the British Armed by the Egyptians and trained by the communist Yemenis they were a formidable fighting force and appeared invincible The British had only one hope of beating them to draft in an even more tenacious group of soldiers the SAS Tasked with stopping the flow of weapons to the rebel tribesmen Radforce was assembled from Aden s federal regular army together with various British forces including the legendary troopers of the SAS After parachuting into the enemy territory at night the SAS established concealed observation posts high in the mountains from where they directed air strikes on the rebels moving through the sun baked passes At the same time in an even more dangerous campaign teams of two or three SAS men disguised as Arabs were infiltrating the souks and bazaars of the port of Aden to neutralise leading members of the National Liberation Front with their renowned double tap 0 firing their Browning high power high power handguns at close range as part of the daring Keeni Meeni operations Soldier J SAS Counter insurgency in Aden is the breathtaking story of how the SAS fought these two contrasting campaigns in the same place at the same time with exceptional tenacity skill and courage **Soldier Z: For King and Country** David Monnery,2013-12-12 By early 1944 the tide of the war was flowing steadily against the Germans but to the Western Allies the need for a speedy victory was becoming more apparent with each new Russian advance and each new hint of the horror at work in the camps of occupied Europe The SAS born in North Africa as a strategic raiding force behind enemy lines was well suited to performing a similar role in the different terrain of the Italian mountains and French forests Here after making common cause with the local partisans they could cut the road and rail lines which served the front line German armies Hitler knew as much and was determined that the SAS should pay a terrible price for their efforts In October 1942 he had issued the infamous Commando Order which decreed that the raiders captured behind enemy lines whether in or out of uniform would be summarily executed Denied the safety net usually provided by the rules of war the SAS embarked on each new mission knowing that it would end in either success or death Soldier Z SAS For King and Country tells the

riveting story of the undertaking and execution of these death defying operations and of how later in the final days of war and the opening weeks of peace the survivors at last began to seek out the murderers of their comrades and bring them to justice

Marine D SBS Peter Cave,2015-12-20 In Cold War parlance the British government liked to think of it as a counter intelligence mission To the Russians it would be seen as an act of international piracy In an operation cloaked in secrecy the elite men of the legendary Special Boat Squadron were to go up against the most sophisticated and hi tech surveillance systems the Russian Navy possessed with only some crude hastily built wind powered craft at their disposal Little did they know that things were about to go terribly wrong Marine D SBS Windswept sees the SBS put to the ultimate test with all their tactical prowess and monumental daring required to rescue the situation There would be no second chances as failure could see the volatile Middle East blasted into all out war This is classic military fiction at its best

Soldier Q: Kidnap the Emperor! Jay Garnett,2013-12-12 In 1975 the Emperor Haile Selassie of Ethiopia recently deposed in a Communist revolution was declared dead In the hands of the brutal army officer Mengistu Haile Mariam the country descended into chaos and bloodshed Then an astonishing truth emerged The Emperor was not dead He had been kept alive in prison by Lieutenant Colonel Mengistu whose objective was to wring from him his massive fortune bullion jewels cash and shares amounting to 2 5 billion lodged in Swiss British and New York banks In London bankers and diplomats were appalled The banks could not contemplate the loss of such a huge sum The British and American governments would not tolerate a ruthless Communist regime s acquisition of wealth it would destabilise the Middle East and all East Africa There was only one answer kidnap the Emperor And there was only one organisation capable of mounting the operation the legendary Special Air Service the SAS Three men Peter Halloran Michael Rourke and Richard Collins were selected for this hazardous mission which was like nothing the regiment had ever tackled before to penetrate a remote desert fortress and then to escape through arid highlands with a frail old man in tow Only extraordinary duplicity would get them in Only acute tactical expertise and merciless improvisation would get them out And if anything went wrong it would be as if they had never existed

Soldier K: Mission to Argentina David Monnery,2013-12-12 In May 1982 as the British Task Force prepared for the recapture of the Falkland Islands a lone Sea King helicopter made an apparently forced landing in the southernmost reaches of Chile Its crew barely credibly claimed to have been propelled off course by a combination of adverse weather conditions and engine trouble The reality never officially disclosed was rather different The only threat to the Task Force and the enemy s only hope of ultimate victory lay in Argentina s Super Extended aircraft and their sea skimming Exocet missiles Since radar could not be relied upon as an adequate means of detection the British opted for a less conventional warning system Before landing in Chile the stray Sea King dropped a team of men into Argentina where they were tasked with remaining hidden within sight of the airfields and within easy reach of the enemy s security patrols The only men who could be entrusted with this difficult and dangerous mission were members of the legendary Special Air Service the SAS Getting the men in was easy enough but

once they were there staying unobserved was another matter and eventual escape far from certain despite help from an unexpected quarter in the shape of a beautiful woman guerrilla a survivor of Argentina's dirty war Soldier K SAS Mission to Argentina tells the electrifying story of this SAS operation from the inside a heart stopping hair raising thriller about the regiment equalled by no other the SAS
