Soldier Boy Timescape:

Soldier Boy Michael Shaara, 1982 **Timescape** Robert Liparulo, 2010-11-29 Which door would you go through to save the world David Xander and Toria King never know what new adventures and dangers await them beyond the mysterious portals hidden on the top floor of their new house They have battled gladiators and the German army dodged soldiers on both sides of the Civil War and barely escaped a fierce attack in their own home Still they are no closer to finding their mother who was pulled by powerful forces through a portal and lost in time Their only hope is to turn the tables on Taksidian the menacing stranger who wants them out of the house so he can use it for his own twisted purposes But everything changes when a trip into the near future reveals the devastating outcome of Taksidian's schemes a destroyed city filled with mutant creatures It is only then that the Kings realize what they're really fighting for the fate of humanity itself If you like creepy and mysterious this is the house for you Every room opens a door to magic true horror and amazing surprises I loved wandering around in these books With a house of so many great haunting stories why would you ever want to go outside R L Stine bestselling author of the Fear Street and Goosebumps series Book 4 in the Dreamhouse Kings series Book 1 House of Dark Shadows Book 2 Watcher in the Woods Book 3 Gatekeepers Book 4 Timescape Book 5 Whirlwind Book 6 Frenzy Fast paced time travel YA Book length appr 60 000 words Includes reading group guide *Timescapes of Waiting*, 2019-08-26 Timescapes of Waiting explores the intersections of temporality and space by examining various manifestations of spatial immobility The individual articles approach these spaces from a variety of academic perspectives including the realms of history architecture law and literary and cultural studies in order to probe the fluid relationships between power time and space The contributors offer discussion and analysis of waiting spaces like ante chambers prisons hospitals and refugee camps and also of more elusive spaces such as communities and nation states Contributors Olaf Berwald Elise Brault Dreux Richard Hardack Kerstin Howaldt Robin Kellermann Amanda Lagji Margaret Olin Helmut Puff Katrin R der Christoph Singer Cornelia Wchter Robert Wirth **Benchmarks Continued 1975-1982** Algis Budrys, 2012 Consists of book reviews and essays written for The magazine of fantasy and science fiction *Mediterranean Timescapes* Ray Laurence, Francesco Trifilò, 2023-04-27 This book built around the study of the representation of age and identity in 23 000 Latin funerary epitaphs from the Western Mediterranean in the Roman era sets out how the use of age in inscriptions and in turn time varied across this region Discrepancies between the use of time to represent identity in death allow readers to begin to understand the differences between the cultures of Roman Italy and contemporary societies in North Africa Spain and southern Gaul The analysis focuses on the timescapes of cemeteries a key urban phenomenon in relation to other markers of time including the Roman invention of the birthday the revering of the dead at the Parentalia and the topoi of life's stages In doing so the book contributes to our understanding of gender the city the family the role of the military freed slaves and cultural changes during this period The concept of the timescape is seen to have varied geographically across the Mediterranean bringing into
