The Voyages of Joshua Slocum Joshua Slocum,1985 This definitive edition of all of Captain Joshua Slocum s writings is now being reissued in time for the 100th anniversary of Slocum s epic singlehanded voyage **A Man for All Oceans: Captain Joshua Slocum and the First Solo Voyage Around the World** Stan Grayson,2017-05-16 The product of years of research A Man for All Oceans is the most comprehensive biography of Slocum ever published and the first written by a small boat sailor Author historian Grayson uncovered previously unknown original source materials to shed new light on one of history s greatest sailors while answering questions that have been asked ever since the publication of *Sailing Alone* In June 1898 three years and two months after departing Boston in his aged oyster sloop *Spray* Captain Joshua

Slocum made land fall in New England and became the first person ever to sail alone around the world. The voyage capped a lifetime of adventure for the indomitable Slocum who had advanced from seaman to captain during the challenging final years of commercial sail surviving hurricanes, mutinies, shipwreck, and the death at sea of his beloved first wife Virginia. *Sailing Alone Around the World*, Slocum's book about his circumnavigation, is a seafaring classic unmatched for adventure and literary verve and has never been out of print since its publication in 1900. Yet despite several biographies over the decades, Slocum the man has remained unknowable to his legions of admirers; the facts of his life and career as elusive as a ship on a fogbound sea. Here is the real story of Slocum's Nova Scotia childhood, his seafaring career, and how he became an American citizen. Grayson gives ample evidence of Slocum's uncanny genius as a navigator while also noting the occasional role that good luck played in his voyages, including his odyssey from Brazil to the United States in the self-designed and built 35-foot *Liberdade*. And Grayson brings a sailor's perspective to Slocum's solo circumnavigation and mysterious disappearance at sea. A fascinating appendix compares *Sailing Alone Around the World* with Thoreau's *Walden* and shows that Slocum's simple lifestyle and self-sufficiency prefigured today's emphases on the environment and living responsibly. Previously unpublished photographs bring Slocum's world to life, and detailed maps trace the adventures of a sailor who knew the world like the back of his hand. This biography reads like an adventure narrative and will serve as the standard work on Joshua Slocum for years to come.

Slocum 321 Jake Logan, 2005-10-25. What you don't see can kill you. When a gallant cavalry sergeant is killed while saving him from a Sioux war party, Slocum is honor bound to fulfill the man's dying wish and send the Thibadeaux family bible to his sister. But after the stagecoach delivering the bible is robbed by murderous road agents, Slocum takes it upon himself to get the Good Book back from the bushwhackers, no matter what, even if he has to give them a reading from the gospel according to Sam Colt.

Alone At Sea Ann Spencer, 2011-09-14. The true story of Canada's greatest sailor, the first to sail around the world single-handedly. When Joshua Slocum sailed into port in Massachusetts on June 27, 1898, he was the first man ever to have completed a voyage around the world without technology, money, or companion. It took him three years to cover the 46,000 miles, and along the way he was chased by pirates, buffeted by storms, and narrowly escaped death by sharks. When a goat ate his charts, he managed to navigate through the Caribbean by memory and intuition. This is the true life adventure story of an extraordinary man who ran away to sea at sixteen and never looked back. Born on a farm in Nova Scotia, he apprenticed on voyages to China, Hong Kong, and Indonesia, met and married his wife in Sydney, Australia, and raised his family aboard sailing vessels in ports around the world. He survived mutinies, lost cargoes, terrible storms, and treacheries at sea before resolving on his voyage around the world in a dilapidated oyster sloop he named *The Spray*. After settling down and writing his memoirs, he set sail on November 14, 1909, and was never seen again.

Sailing Alone around the World Joshua Slocum, 1999-06-01. The classic travel narrative of a Don Quixote of the seas, the first man to circumnavigate the world single-handedly. Joshua Slocum's autobiographical account of his solo trip around the world is

one of the most remarkable and entertaining travel narratives of all time Setting off alone from Boston aboard the thirty six foot wooden sloop Spray in April 1895 Captain Slocum went on to join the ranks of the world s great circumnavigators Magellan Drake and Cook But by circling the globe without crew or consorts Slocum would outdo them all his three year solo voyage of more than 46 000 miles remains unmatched in maritime history for its courage skill and determination Sailing Alone around the World recounts Slocum s wonderful adventures hair raising encounters with pirates off Gibraltar and savage Indians in Tierra del Fuego raging tempests and treacherous coral reefs flying fish for breakfast in the Pacific and a hilarious visit with fellow explorer Henry Stanley in South Africa A century later Slocum s incomparable book endures as one of the greatest narratives of adventure ever written For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
