Only the Road / Solo el Camino Margaret Randall, 2016-09-22 Featuring the work of more than fifty poets writing across the last eight decades Only the Road Solo el Camino is the most complete bilingual anthology of Cuban poetry available to an English readership It is distinguished by its stylistic breadth and the diversity of its contributors who come from throughout Cuba and its diaspora and include luminaries lesser known voices and several Afro Cuban and LGBTQ poets Nearly half of the poets in the collection are women Only the Road paints a full and dynamic picture of modern Cuban life and poetry highlighting their unique features and idiosyncrasies the changes across generations and the ebbs and flows between repression and freedom following the Revolution Poet Margaret Randall who translated each poem contributes extensive biographical notes for each poet and a historical introduction to twentieth century Cuban poetry

Amadito and the Hero Children Enrique R. Lamadrid, 2011-08-02 Recent health scares such as H1N1 influenza have exposed children to frightening information that can be difficult to process This thoughtful bilingual book helps them understand the abstract concept of largescale sickness and appreciate the role children play in the health of their community It introduces young readers to a fascinating aspect of southwest history and invites discussion of folk medicine and science while also addressing children's curiosities and fears Recounting the two most deadly epidemics to strike the Southwest smallpox in the eighteenth and nineteenth centuries and influenza during World War I this beautifully illustrated narrative reveals that with tragedy comes heroism as demonstrated by the children who bravely transported the smallpox vaccine from Mexico's interior to New Mexico in 1805 Through the eyes of the protagonist Jos Amado Amadito Dom nguez a real child of the flu epidemic era who would later become Taos County's first nuevomexicano physician folklorist Lamadrid weaves together culture history mortality and hope into a life affirming lesson

Poems from Cuba Raúl Mesa, 1998 *Cervantes' Architectures* Frederick A. de Armas, 2022-03-31 Cervantes Architectures is the first book dedicated to architecture in Cervantes prose fiction At a time when a pandemic is sweeping the world this book reflects on the danger outside by concentrating on the role of enclosed structures as places where humans may feel safe or as sites of beauty and harmony that provide solace At the same time a number of the architectures in Cervantes trigger dread and claustrophobia as they display a kind of shapelessness and a haunting aura that blends with the narrative This volume invites readers to discover hundreds of edifices that Cervantes built with the pen Their variety is astounding The narrators and characters in these novels tell of castles fortifications inns mills prisons palaces towers and villas which appear in their routes or in their conversations and which welcome them amaze them or entrap them Cervantes may describe actual buildings such as the Pantheon in Rome or he may imagine structures that metamorphose before our eyes as we come to view one architecture within another and within another creating an abyss of space They deeply affect the characters as they feel enclosed liberated or suspended or as they look upon such structures with dread relief or admiration Cervantes Architectures sheds light on how places and spaces are perceived through words and how impossible structures find support paradoxically in the literary architecture of the work The Poetical Works of Robert Southey. Complete in one volume. New edition Robert Southey, 1847 Southey's Poetical Works Robert Southey, 1850
