

The Solomon Organization

Solomon Organization

Baruch Halpern

Solomon Organization:

The Solomon Organization Andrew Neiderman,1994 Scott Lester's bitter divorce includes accusations of adultery, alcoholism, and worse. It's all true, but to keep from losing his daughter forever, he turns to the Solomon Organization, a secret society sympathetic to the plight of men in Scott's situation. They do what they think is best. A chilling novel of psychological terror.

The Virtuous Organization Charles C. Manz,2008 This book focuses on a new and emerging yet as old as recorded history organizational concern: virtue. Virtue has recently become a topic of serious examination among organizational researchers and progressive companies who are exploring their role in creating new, more holistic, healthy, and humane work environments. With interdisciplinary insights by many of the world's leading management thinkers, the book includes conceptual treatments, empirical research, and actual cases concerning virtuous behavior and leadership under conditions of crises and ordinary and exemplary times. Until recently, scholarly research paid scant attention to virtue, especially in organizations. The pursuit of virtue, as opposed to the bottom line, remained outside the acceptable domain of practicing managers faced with economic pressures and stakeholder demands. Concepts such as efficiency, return on investment, ROI, and competitive advantage were emphasized over more virtuous concerns such as caring, compassion, integrity, and wisdom. The Virtuous Organization fills this void by presenting paradigm-shifting insights of leading scholars that have the potential to change the face of management thinking and practice for both this and future generations.

Guardian Angel Andrew Neiderman,2015-05-26 From the bestselling author of THE DEVIL'S ADVOCATE, an expert weaver of suspense. FRESH FICTION The search for Mr. Right turns into a nightmare. Megan Lester had a miserable separation. She questions whether she'll ever be able to love again. But she does vow to give it a try, and on Megan Lester's first night back on the singles scene, she surveys the landscape of available men. But a pushy guy at the bar just won't leave her alone, and his aggressiveness goes from annoying to dangerous in the blink of an eye. Then Steve Wallace steps in and saves her. From that night on, Steve always seems to be right there whenever Megan needs help or someone to lean on. He's even there when she doesn't realize it. Watching Steve has decided that Megan is his perfect woman, and he will stop at nothing, even kidnapping Megan's young daughter, to make Megan part of his perfect family.
