The Late Shift:

The Late Shift Bill Carter, 2019-10-15 This gripping New York Times bestseller from the host of CNN podcast Behind the Desk tells the true story and backstage drama of late night comedy Los Angeles Times When beloved host Johnny Carson announced his retirement after thirty years on The Tonight Show millions of Americans mourned But inside the television industry the news ignited a battle between two amazing talents Jay Leno and David Letterman who both yearned to occupy the departing legend's chair For NBC it would be a decision with millions of dollars at stake Soon these two comedians with strikingly different styles who had once shared a friendship as they worked the clubs together would be engaged in a fierce competition for the prize Based on in depth reporting and interviews with those involved and updated with a new introduction by the author a producer of CNN series The Story of Late Night The Late Shift is a vivid behind the scenes blow by blow account of the fight that ensued as stars agents and executives maneuvered for control of the most profitable program in TV history Chicago Tribune Remarkably gripping Takes us deep into the bizarre high stakes world of broadcasting A powerful story and ultimately a sad one filled with casualties as well as winners The New York Times Book Review Solid reporting based on extensive interviews with the principals lifts The Late Shift into a class of its own The insights into the people involved are what make the book a page turner Orange Country Register [The Late Shift](#) Bill Carter, 1996-01 [The Late Shift](#) Bill Carter, 1994 It's a story that's as big as the manipulations of Hollywood's most feared power brokers and multi million dollar negotiators and as personal as the effect on executives of being snubbed by a party invitation [The Late Shift](#), 1997 **The War for Late Night** Bill Carter, 2010-11-04 Bill Carter executive producer of CNN's docuseries The Story of Late Night and host of the Behind the Desk Story of Late Night podcast details the chaotic transition of The Tonight Show from host Jay Leno to Conan O'Brien and back again In 2010 NBC's CEO Jeff Zucker had it all worked out when he moved Jay Leno from behind the desk at The Tonight Show and handed the reins over to Conan O'Brien But his decision was a spectacular failure Ratings plummeted affiliates were enraged and when Zucker tried to put everything back the way it was that plan backfired as well No one is more uniquely suited to document the story of a late night travesty than veteran media reporter and bestselling author Bill Carter In candid detail he charts the vortex that sucked in not just Leno and O'Brien but also Letterman Stewart Fallon Kimmel and Ferguson as frantic agents and network executives tried to manage a tectonic shift in television's most beloved institution **The Late Shift** Dennis Etchison, 2012 Ever wonder what the dead might have to say when they are alone with one another It turns out that the dead are neither comical nor menacing They are just tired and lost and in search of peace They are people like you and me who want to rest now that their work is done The problem is the system wants to continue to exploit them even beyond death It's a grim proposition but the logical extension of our society when a sinister company reanimates corpses in order to provide free labor for the late night shifts in stores and garages Hosted by Malcolm McDowell and commissioned by Fangoria America's 1

source for horror this original short story is fully dramatized to thrill and chill you *The Late Shift: The Unseen Battle* Pasquale De Marco, 2025-04-15 The late night talk show is a cultural institution a nightly ritual that brings people together from all walks of life It is a place where we can laugh learn and think about the world around us But what happens behind the scenes of these beloved shows What are the challenges and rewards of producing a late night talk show How do the hosts writers and producers come together to create a show that is both entertaining and informative In this book we will take a behind the scenes look at the world of late night television We will explore the history of the late night talk show from its humble beginnings to its current status as a pop culture phenomenon We will also take a close look at the people who make these shows happen from the hosts to the writers to the producers We will also examine the impact of late night television on American culture Late night shows have been a powerful force in shaping public opinion and they have played a significant role in everything from politics to social change Finally we will look at the future of late night television As the way we consume media continues to change how will late night shows adapt Will they continue to be a relevant force in American culture or will they be replaced by new forms of entertainment This book is a must read for anyone who is a fan of late night television It is a fascinating and informative look at the behind the scenes world of one of America's favorite forms of entertainment If you like this book write a review on google books

Shiftwork, Capital Hours and Productivity Change Murray F. Foss,2012-12-06 This volume brings together and expands on a body of research that I began in the early 1960s and have continued up to the present It deals mainly with shiftwork work that is performed during other than normal daytime hours Shiftwork is a characteristic of economic life in the United States and abroad that has increased in importance over the years according to the Bureau of Labor Statistics one out of five full time and part time employees in the United States works on shifts My interest in this field concerns fixed capital specifically changes in weekly hours worked by capital over long periods of time and the significance of those changes in the measurement of long run productivity change In studies of growth the measurement of capital input by capital stocks or the services yielded by those stocks typically makes no allowance for the changing hours worked by capital Capital services are assumed to be proportional to the stocks Consequently in analyses of output growth in a growth accounting framework the effect of longer capital hours is a component of multifactor or total factor productivity growth Wage Structure United States. Bureau of Labor Statistics, **Women, Work and the Japanese Economic Miracle** Helen

Macnaughtan,2004-08-02 This book shows how during the period of the Japanese economic miracle a distinctive female employment system was developed alongside and different from the better known Japanese employment system which was applied to male employees Women Work and the Japanese Economic Miracle describes and analyses the place of female workers in the cotton textile industry which was a crucially important industry with a large workforce In presenting detailed data on such key issues as recruitment systems management practices and the working experience of the women involved it demonstrates the importance for Japan's postwar economy of harnessing female labour during these years **Bulletin of the United States Bureau of Labor Statistics** ,1955 How to be a Hotel Receptionist Matt Shiells-Jones,2012-03-15

This book is designed for anyone who works front of house in a hotel from porters to managers and beyond and is an indispensable read that covers almost everything you could encounter from complaint handling and telephone call skills through to dealing with overbooking and room allocations Comprehensive yet easy to read and conversational in tone this book provides a great addition to any in house training It contains one of the most comprehensive sections on complaint handling both in writing and face to face along with guidelines on best practice sample scenarios and questions to make you think making this a fantastic read to help you get to grips with the reception and front of house role This book covers a vast array of matters and is suitable for both floor level staff and managers Administrative Law Judge Decisions Report United States.
