

The background image is a composite of two parts. The top half shows a dark, turbulent sky with heavy, grey clouds. A single bird is captured in flight, its wings spread, positioned slightly to the right of the center. The bottom half of the image shows a barren, rocky landscape, likely a desert or a planetary surface like Mars. The ground is covered in dark, jagged rocks and patches of lighter-colored soil or sand. The horizon line is visible, separating the dark ground from the dark sky.

Water is the key to life, but in frozen form, it is a latent force. And when it vanishes, Earth becomes Mars.
