The Law Of Bioethics Individual Autonomy And Social Regulation Cases And Materials:

The Law of Bioethics Marsha Garrison, Carl Schneider, 2015-03-03 This casebook covers contemporary issues in bioethics ranging from reproductive choice to decision making about death It teaches legal doctrine through judicial opinions and statutes it teaches analytical and practical skills through a diverse set of problems The casebook also enables students to think broadly about regulatory issues by supplementing traditional legal materials with patients accounts of their illnesses doctors reports of their encounters with patients ethicists reflections and researchers findings on how medical decisions are made the results those decisions produce and the impact of various forms of legal regulation Finally the casebook encourages students to use the law of bioethics as a window into larger questions about the role of law as a form of social regulation and the impact of American culture on the development of law and regulatory strategy *Encyclopedia of Identity* Ronald L. Jackson II, 2010-06-29 The two volumes of this encyclopedia seek to explore myriad ways in which we define ourselves in our daily lives Comprising 300 entries the Encyclopedia of Identity offers readers an opportunity to understand identity as a socially constructed phenomenon a dynamic process both public and private shaped by past experiences and present circumstances and evolving over time Offering a broad comprehensive overview of the definitions politics manifestations concepts and ideas related to identity the entries include short biographies of major thinkers and leaders as well as discussions of events personalities and concepts The Encyclopedia of Identity is designed for readers to grasp the nature and breadth of identity as a psychological social anthropological and popular idea Key Themes Art Class Developing Identities Gender Sex and Sexuality Identities in Conflict Language and Discourse Living Ethically Media and Popular Culture Nationality Protecting Identity Race Culture and Ethnicity Relating Across Cultures Religion Representations of Identity Theories of Identity Cases, Materials, and Problems on Bioethics and Law Michael H. Shapiro, 2003 Introduces students to a wide range of law related activities with selected materials that are instructive for lawyers judges and legislators and other counselors adjudicators and rulemakers Part I is a brief conceptual analysis of the nature of the New Biology and of theories for evaluating its importance its continued development and its applications A discussion of technology assessment is included as part of this review Includes analyses of what would count as reasons for various uses of technology e g therapeutic justifications for use of behavior control technologies The AALS Directory of Law Teachers, 2006 *The Law of Bioethics* Marsha Garrison, Carl E. Schneider, 2005-12-01 Bioethics once a part of law and medicine is an expanding field of inquiry that is now generally recognized as a discipline in its own right one that attracts widespread attention and interest As a result there is a great deal of interest in the subject and now there is a casebook which rewards that interest The Garrison Schneider teaching materials link the practical problems the area richly presents with larger conceptual issues about how law works and American culture functions offer students a vivid sense of the realities of life in the patient s hospital room the doctor s examination room and the hospital lawyer s office and draw not simply on cases and

statutes but on patients accounts of their illnesses doctors reports of encounters with patients ethicists reflections on doctor s duties sociologists investigation of life in hospitals and psychologists studies of how doctors and patients make decisions
