Rose,2015-07-20 Excerpt from The Lay of the Cid Translated Into English Verse The importance of the Cid as Spain s
bulwark against the Moors of the eleventh century is exceeded by his importance to his modern countrymen as the epitome
of the noble and vigorous qualities that made Spain great Menendez y Pelayo has called him the symbol of Spanish

nationality in virtue of the fact that in him there were united sobriety of intention and expression simplicity at once noble and familiar ingenuous and easy courtesy imagination rather solid than brilliant piety that was more active than contemplative genuine and soberly restrained affections deep conjugal devotion a clear sense of justice loyalty to his sovereign tempered by the courage to protest against injustice to himself a strange and appealing confusion of the spirit of chivalry and plebeian rudeness innate probity rich in vigorous and stern sincerity and finally a vaguely sensible delicacy of affection that is the inheritance of strong men and clean blood This is the epic Cid who in the last quarter of the eleventh century was banished by Alphonso VI of Castile fought his way to the Mediterranean stormed Valencia married his two daughters to the Heirs of Carrion and defended his fair name in parliament and in battle The poet either from ignorance or choice has disregarded the historical significance of the campaigns of the Cid About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works 1001 Battles That Changed the Course of History R.
