Cremeens, 2018-06-28 The Orthodox Church has been characterized by some as the best kept secret in North America Making use of personal interviews and correspondence magazine and news articles and other publications Timothy Cremeens weaves the story of a spiritual renewal movement that began in the United States in the early 1960s and rapidly spread around the globe touching millions of Roman Catholics and Protestants what is today called the Charismatic Renewal Movement In 2017 this Movement

celebrated its 50th Jubilee anniversary in the Roman Catholic Church However Cremeens presents here the never before heard story of that Movement among the Orthodox Churches in North America He recounts the history of this spiritual renewal movement through the first hand accounts and eyewitnesses of Orthodox clergy and laity who testify to their life changing encounters with the Holy Spirit *The Gifts of the Spirit* Verna M. Linzey,2014 In this clear yet thorough guide Dr Linzey explains how the Holy Spirit works in our lives to fulfill His plans *Trinity - Examined* CDR,2015-09-22 God is one not three Deut 6 4 Hear O Israel the Lord our GOD IS ONE LORD 1 Cor 8 6 There is but ONE GOD THE FATHER of whom all things and we in him James 2 19 1 Tim 2 5 There is ONE GOD And one MEDIATOR between God and man the MAN JESUS CHRIST Even the devils believe and tremble that there is only one God John 17 3 says And this is life eternal that they might know thee THE ONLY TRUE GOD and Jesus Christ whom THOU HAST SENT Eph 4 6 ONE GOD and father of all Isaiah 43 10 Before me there was NO GOD formed neither shall there be after me This Trinity is an established matter by Roman Emperor Constantine with the meeting known as Council of Nicaea with all bishops in 325 AD We cannot open it again This is the opinion of many After all we are not under the kings and emperors now We are in democracy Nobody can dictate us Constantine was not a Christian at the time of taking that decision and it was only later he became a Christian He was afraid that his Roman kingdom will break down into two with the fight among bishops about this Trinity and so he held the Nicene Council with all the Bishops simply took the majority and then declared Trinity We need biblical support for anything not the human dictation *Romans in Context* D. V. Palmer,2011-03-04 Using crucial chapters from Paul s magnum opus as points of theological departure Delano Palmer provides in depth discussion on important themes like the role of first century women in pastoral work and the nature and duration of spiritual endowments Romans in Context is divided into three parts Part one reviews the career and legacy of the apostle Paul against the backdrop of his cultural milieu and history Part two takes up the knotty problem of what exactly does the apostle mean by justification by faith in its exploration of the declarative demonstrative proposal of modern theologians The section also explores what Paul has to say concerning the status of the justified in Romans 5 8 It is the final section that wrestles with matters of spiritual gifts the role of female pastors as well as the apostle s best documented thoughts on Christian mission **A Layman'S Commentary Volume 4** John Devine,2014-01-16 In todays world it can be difficult to maintain your faith Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople Others lose contact with the Bible because it no longer seems relevant to life They use a superficial knowledge of science and evolution to exclude God and faith from their experiences The Laymans Commentary Volume 4 Books of the Major and Minor Prophets presents a passage by passage explanation of the seventeen books of the Bible known as the Prophets In this fourth volume author John Devine covers the period from the division of the United Kingdom of Israel to the end of the Monarchy and the Return of the Remnant from exile in Babylon He explains Gods continued self

revelation and plan for a relationship with humankind in his dealings with the nation of Israel He considers the conflict and consequences of the desire of the individual to be independent from God Further understanding of Gods moral standard which has been the backbone of Western society is given Devine also lays out the basis for a full and rewarding relationship with God The fourth book in The Laymans Commentary series Volume 4 Books of the Major and Minor Prophets shows that the prophetic messages are still valid today because Gods character has not changed nor has the frailty of human nature People look for an anointed One who will come and put all things right Predicted by most of the prophets he is seen as the Hope of Israel a prophet priest and king who will include all nations of the earth in his eternal kingdom **A Layman'S**

Commentary Volume 1 John Devine, 2013-11-12 In todays world it can be difficult to maintain your faith Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople Others lose contact with the Bible because it no longer seems relevant to life They use a superficial knowledge of science and evolution to exclude God and faith from their experiences The Laymans Commentary Volume 1 Book of the Law presents a passage by passage explanation of the first five books of the Bible known as the Pentateuch In this first volume author John Devine covers biblical passages from the Beginning to the end of the Exodus from Egypt He explains Gods self revelation and plan for a relationship with humankind He considers the relevance of creation and science as well as Gods moral standard which has been the backbone of Western society Devine also lays out the basis for a full and rewarding relationship with God The first book in The Laymans Commentary Volume 1 Book of the Law provides many proven principles for life and leadership Devine provides examples from life based on characters and situations They confirm science and faith are complementary in giving purpose and meaning to life *Essays on Apostolic Themes* Paul Elbert, 2007-02-01 This collection of studies prepared in honor of one of the church s distinguished teachers and pastoral servants Dr Howard M Ervin attempts to address some of the pressing theological issues of our day Important matters of biblical interpretation in the evangelical and charismatic scenes are treated by three of the contributors including one by the honoree himself The role of the Holy Spirit in interpretation is critiqued by professor Horner while professors F F Bruce and J D G Dunn offer some penetrating insights into the work of the Spirit in Paul s churches and into the nature of the New Testament believer as understood by the great apostle Professor Rea gives us his timely observations on the nature of spiritual experience in the lives of Old Testament believers drawing out appropriate lessons for today We trust further that *Essays on Apostolic Themes* may have something to offer to the discipline of historical theology with five essays ranging from prophetic type phenomena in Iranaeus s church and charismatic motifs in Calvin s thoughts to critical assessments of Lewi Pethrus and Donald Gee who are within their own cultures appraised as being dynamic figures of leadership in the pentecostal tradition Similarly based on his earlier book of the eighteenth century pioneer of pentecost Dr Strachan presents a stimulating piece on the development of Edward Irving s thought The early reception in America of the

charismatic movement is sagaciously surveyed by Dr Connelly and productive ideas on the mystical presence of Christ in our Lord's supper are advanced by professor Gelpi. Essays concludes with a contribution to the much discussed issues of church growth wherein practical suggestions are tabled based on the potential implied by Luke's text of the book of Acts. Overall the editor and respective authors submit this anniversary volume to their colleague and friend Dr Howard M Ervin and to its readers everywhere in the hope that these fourteen studies may make a useful international contribution to scholarship and that Essays may be found helpful to preachers teachers and students of God's word.
