The League Of Arab States A Study In The Dynamics Of Regional Organization:

The League of Arab States Robert W. MacDonald, 2015-12-08 The founding structure and operations of the League of Arab States since its organization in 1945 are analyzed In the first half of the book the author discusses the League's decision making processes considers regional dynamics the polarization of power between Egypt and Iraq and the impact of such major issues as Palestine on the League He considers the League's techniques of cooperation with the United Nations and its specialized agencies neutralism and nonalignment and the boycott of Israel In the latter half of the study three major operational questions typical of regional organizations are examined functional integration in cultural social economic and scientific affairs problems of regional security and peaceful settlement of disputes and interaction between the Arab League and the United Nations Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [The League of Arab States](#) Robert W. MacDonald, 1965 A careful examination of the founding structure and operation of the Arab League up through 1964 with the conclusion that it has been successful as the chief instrument for asserting Arab dignity and power in the world and ought now to become a main channel for economic and social modernization Front cover **Arab Regional Organizations**, 1992-01-01 Over the past four decades the Arab nations have exercised an enormous political and economic influence on world events Much of that impact has been exerted not through the direct actions of individual governments but collectively or indirectly through pan Arab organizations economic associations such as OPEC or through international agencies including the United Nations and the International Monetary Fund Arab Regional Organizations is a fully annotated bibliographic guide to the functions infrastructures and effectiveness of Arab organizational activity The organizations covered in this volume have grown in importance in lockstep with developments in the Middle East This is particularly so in the areas of economics and energy where there has been the establishment of national control over the oil industry and a consequent economic boom Institutions such as the Gulf Cooperation Council have also become vital to the continued political stability of the member states and to the strategic importance of the region as illustrated by the Iran Iraq war and the Persian Gulf War The book also takes note of the special economic importance of organizations such as the Kuwait Saudi and Abu Dhabi Funds These perform a major role among developing nations because of their project aid and technical assistance programs Arab Regional Organizations covers a variety of subjects but concentrates on economics energy politics and development subjects A lengthy introductory section is designed to provide readers with the background of each organization and to direct them to other sources of information A supplementary section deals with the effects of the Iraqi invasion of

Kuwait and the Gulf War Researchers librarians economists political scientists and Middle East specialists will find this volume an invaluable guide to the literature of the region The League of Arab States: a study in the dynamics of regional organization Robert W. Regional Cooperation, Organizations and Problems Rudolf Bernhardt, 2014-05-12 Encyclopedia of Public International Law 6 Regional Cooperation Organizations and Problems focuses on regional organizations cooperation and problems including boundary disputes membership and functions of organizations The publication first elaborates on the American Canadian Boundary Disputes and Cooperation American Mexican Boundary Disputes and Cooperation Andean common market League of Arab States and the Association of South east Asian Nations Discussions focus on structure and organization activities evaluation membership functions and establishment objectives and principles The text then examines the Balkan Pact of 1953 1954 Belgium Luxembourg Economic Union Benelux Economic Union and boundary disputes between China and USSR The manuscript considers the boundary disputes in Latin America and Africa Council for Mutual Economic Assistance European Atomic Energy Community European Coal and Steel Community and the European Conference of Postal and Telecommunications Administrations The publication also takes a look at the Economic Community of West African States European Atomic Energy Community and the European Atomic Energy Society The book is a vital source of information for researchers interested in regional organizations cooperation and problems *Regional Organisations and the Development of Collective Security* Ademola Abass, 2004-12 This book examines the development of collective security by regional organisations particularly after the Cold War It analyses the various constitutional developments that have occurred within regional arrangements such as ECOWAS African Union SADC OAS and NATO and critically analyses how these developments have propelled regional organisations to depart from the normative framework of regional arrangement contained in Chapter VIII of the UN Charter Through a comprehensive examination of practice the book evaluates the impact of regional organisations newly asserted powers to authorise enforcement action and determine when situations within member states warrant their intervention It inquires into the legal justifications for these developments both from within the UN Charter and regional treaties and practice and asks whether consensual intervention that is the use of force by regional organisations on the basis of their members consent contravenes or constitutes an exception to the prohibition of the use or threat of force under Article 2 4 of the Charter The book also analyses the regime of complementarity between the UN and regional organisations **Regional Organisations and Security** Stephen Aris, Andreas Wenger, 2013-10-30 This book aims to examine the conceptions and practices of security adopted by Regional Organisations ROs across the globe Since the end of the Cold War there has been an increased focus on regions as a relevant realm for security with actors within regional contexts identifying a significant degree of interdependency between one another As a consequence international security has taken on a distinct regionally institutionalised character as seen by the

increase in calls for greater utilisation of Chapter VIII Regional Arrangements of the UN in order to create a devolved UN led system of global security management However the idea of a system of global security management is a remote prospect because divergence seems to be as important as commonality in terms of regional security In light of the above Regional Organisations and Security analyses the primary ROs that are active in Africa Asia Eurasia the Middle East and South America The findings of individual case studies are compiled to highlight disparities and similarities in how security is seen prioritised understood practised managed and implemented across regions On this basis the authors reach conclusions about whether we live in an increasingly globalised or regionally distinct world and go on to assess the prospects for a globalised system of security management and consider how this might be developed and organised This book will be of interest to students of comparative regionalism international organisations international security and IR

Regional Security

Regimes Efraim Inbar,1995-01-01 This book shows that as Israel is gradually being accepted by the Arab world pure security considerations are becoming more important in the Arab Israeli relationship and security regimes between Israel and neighboring countries can foster moderation and cooperation

Comparative Regionalism Fred H. Lawson,2017-03-02 Regionalism has regained momentum in the post Cold War era New economic groupings continue to spring up across the globe while older regional organizations have strengthened their institutional bases and broadened their scope Explaining the reinvigoration of regionalism requires comparative analyses that not only highlight the commonalities that characterize various regional experiments but also account for the differential outcomes and divergent trajectories such projects exhibit This collection of seminal articles on regionalism advances theoretical concepts that can stimulate useful comparisons along with scholarly surveys of important instances of regionalism in the contemporary world Besides classic studies of the European Union the volume includes authoritative overviews and case studies of regionalist projects in East Asia Sub Saharan Africa Latin America the Middle East and Central Eurasia An introductory essay situates these articles in the context of the five decade long research program on regional integration theory
