# THE LEAVENWORTH IRREGULARS

**"EXPLODES  
IN ALL DIRECTIONS."  
WILDER AND RAUNCHIER THAN  
THE DIRTY DOZEN**

Three revengeful rogues rip off  
the army for kicks — and treasure!

A novel by  
**William D. Blankenship**

# The Leavenworth Irregulars

**SA Dillow**

## **The Leavenworth Irregulars:**

**The Leavenworth Irregulars** William Douglas Blankenship, 1976-01-01      *The Leavenworth Irregulars* William D. Blankenship, 1974-01-01      **Institutionalizing Irregular Warfare Capabilities** United States. Congress. House. Committee on Armed Services. Subcommittee on Emerging Threats and Capabilities, 2012      Irregular Soldiers and Rebellious States Michael P. Noonan, 2021-04-15 With the wars in Afghanistan and Iraq seemingly drawing down and with new calls to focus on the threats of great power competition posed by states such as China and Russia on the rise what will happen to U S capabilities for dealing with conflicts that occur in messy political military environments *Irregular Soldiers and Rebellious States* offers for both expert and non expert audiences a useful typology and background for examining interventions where U S advisors and forces operating on a small scale basis will either work with a foreign government to help defend it from threats of subversion or insurgency known as Foreign Internal Defense or to assist insurgents or guerrilla forces in countering a hostile regime known as Unconventional Warfare It uses nine examples to illustrate how the U S and the British in one case used such capabilities in either limited or assertive ways to defend El Salvador Philippines Sahel and Dhofar or counter Angola Nicaragua northern Iraq and Afghanistan foreign governments Placing such interventions within the broader contexts of American military history and the cultures of the armed forces it offers three key findings and six policy prescriptions for wisely and judiciously using these capabilities in the present and future      Terminations and Consolidations by Agency United States. Office of Management and Budget, 1982      **Helicopters in Irregular Warfare: Algeria, Vietnam, and Afghanistan [Illustrated Edition]** Major Beau G. Rollie, 2014-08-15 Includes 3 maps and more than 10 illustrations The preponderance of conflicts fought over the last seventy years have included or been centered on irregular warfare and counter insurgency Indeed the helicopter s first significant trials in combat took place during the Algerian War 1954 1962 the Vietnam War 1955 1975 and the Soviet Afghan War 1979 1989 During these wars French U S and Soviet militaries used significant numbers of helicopters to fight insurgents and guerrillas and each country lost their respective conflict As conventional organizations these militaries used helicopters to seek military dominance often blind to or in spite of politico strategic goals like legitimacy The helicopter s firepower and mobility tactically decimated insurgents but the nature of irregular warfare rendered tactical dominance indecisive Helicopters were indecisive or bad at enabling legitimacy population control and isolation key tenets of successful COIN Convinced that helicopter enabled military dominance could win the French U S and Soviet militaries were unable to balance the pursuit of military and politically objectives Airmobility distracted leaders from focusing on the political aspects of counter insurgency      *Professional Journal of the United States Army*, 2012      *Theory of Irregular War* Jonathan W. Hackett, 2023-12-25 From Afghanistan to Angola Indonesia to Iran and Colombia to Congo violent reactions erupt states collapse and militaries relentlessly pursue operations doomed to fail And yet no useful theory exists to explain this common tragedy All over the world people and states clash

violently outside their established political systems as unfulfilled demands of control and productivity bend the modern state to a breaking point This book lays out how dysfunctional governments disrupt social orders make territory insecure and interfere with political economic institutions These give rise to a form of organized violence against the state known as irregular war Research reveals why this frequent phenomenon is so poorly understood among conventional forces in those conflicts and the states who send their children to die in them The U.S. Army and Irregular Warfare, 1775-2007 Richard G. Davis, 2008 From U S Government Bookstore Website Presents fifteen papers from the 2007 Conference of Army Historians Examines irregular warfare in a wide and diverse range of circumstances and eras The Logic of Irregular War Ilan Berman, 2017-11-10 For the United States asymmetric warfare has emerged as the new normal The large scale conventional campaigns that typified U S military engagements for much of the 20th Century are increasingly things of the past Instead the quarter century since the end of the Cold War and the collapse of the U S Soviet balance of power has seen irregular war truly come of age with more and more hostile nations pursuing asymmetric means in order to secure the strategic advantage vis vis the United States In this volume a group of leading national security practitioners and subject matter experts comes together to analyze the asymmetric strategies being pursued today by America s main state based adversaries Russia China Iran and North Korea and to explore how U S policymakers can respond more effectively to them

The Chickamauga Campaign: A Mad Irregular Battle David A. Powell, 2014-06-19 Far surpasses anything anyone else has ever done about this pivotal engagement The Journal of America s Military Past Chickamauga according to soldier rumor is a Cherokee word meaning River of Death It certainly lived up to that grim sobriquet in September 1863 when the Union Army of the Cumberland and Confederate Army of Tennessee waged bloody combat along the banks of West Chickamauga Creek Here award winning author David Powell embraces a fresh approach that explores Chickamauga as a three day battle rather than the two day affair it has long been considered with September 18 being key to understanding how the fighting developed the next morning The second largest battle of the Civil War produced 35 000 casualties and one of the last clear cut Confederate tactical victories a triumph that for a short time reversed a series of Rebel defeats and reinvigorated the hope for Southern independence At issue was Chattanooga the important gateway to the South and logistical springboard into Georgia Despite its size importance and fascinating cast of characters this epic Western Theater battle has received but scant attention Powell masterfully rectifies this oversight with the first of three installments spanning the entire campaign This volume includes the Tullahoma Campaign in June which set the stage for Chickamauga and continues through the second day of fighting on September 19 Powell s magnificent study fully explores the battle from all perspectives and is based upon fifteen years of intensive research that has uncovered nearly 2 000 primary sources from generals to privates all stitched together to relate the remarkable story that was Chickamauga Includes illustrations **Irregular Warfare** Summer Newton, 2011 *U.S. Army and Irregular Warfare 1775-2007: Selected Papers From the 2007 Conference of Army*

*Historians* Richard G. Davis, 2010-11-29 PRINT FORMAT ONLY NOTE NO FURTHER DISCOUNT FOR THIS PRINT  
 PRODUCT OVERSTOCK SALE Significantly reduced list price while supplies last Presents fifteen papers from the 2007  
 Conference of Army Historians Examines irregular warfare in a wide and diverse range of circumstances and eras The papers  
 selected for this publication are not only the best of those presented but they also examine irregular warfare in a wide and  
 diverse range of circumstances and eras Together they demonstrate how extremism was intimately connected to this type of  
 warfare and how Americans have at different times in their history found themselves acting as insurgents counterinsurgents  
 or both The titles of the papers themselves reflect how often the U S Army has engaged in such irregular operations despite a  
 formal focus on conventional warfare Using imperial British and Italian examples several presentations also underline how  
 the ease of conquering lands is often no indication of the level of effort required to pacify them and integrate them into a  
 larger whole Historians especially military historians strategic military analysts and students pursuing introduction to  
 defense history or military science classes may be interested in this volume **Pacific States Reports: v. 1- 29. Kansas**  
 ,1912 Transforming US Intelligence for Irregular War Richard H. Shultz Jr., 2020-04-01 When Joint Special Operations  
 Command deployed Task Force 714 to Iraq in 2003 it faced an adversary unlike any it had previously encountered al Qaeda  
 in Iraq AQI AQI's organization into multiple independent networks and its application of Information Age technologies  
 allowed it to wage war across a vast landscape To meet this unique threat TF 714 developed the intelligence capacity to  
 operate inside those networks and in the words of commander Gen Stanley McChrystal USA Ret claw the guts out of AQI In  
 Transforming US Intelligence for Irregular War Richard H Shultz Jr provides a broad discussion of the role of intelligence in  
 combatting nonstate militants and revisits this moment of innovation during the Iraq War showing how the defense and  
 intelligence communities can adapt to new and evolving foes Shultz tells the story of how TF 714 partnered with US  
 intelligence agencies to dismantle AQI's secret networks by eliminating many of its key leaders He also reveals how TF 714  
 altered its methods and practices of intelligence collection intelligence analysis and covert paramilitary operations to  
 suppress AQI's growing insurgency and ultimately destroy its networked infrastructure TF 714 remains an exemplar of  
 successful organizational learning and adaptation in the midst of modern warfare By examining its innovations Shultz makes  
 a compelling case for intelligence leading the way in future campaigns against nonstate armed groups *Pacific States*  
*Reports* ,1912 **Writing the Modern Mystery** Barbara Norville, 1992 A mystery editor shows how to write tightly crafted  
 novels that will sell to today's editors including instruction on the various types of mysteries *Understanding Future*  
*Irregular Warfare Challenges* United States. Congress. House. Committee on Armed Services. Subcommittee on Emerging  
 Threats and Capabilities, 2012 **U.S. Marines and Irregular Warfare, 1898-2007** ,2008 Product Description Since the  
 tragic events of 9 11 and the consequent advent of the Global War on Terrorism there has been a remarkable surge of  
 interest in counterinsurgency This anthology presents 27 articles on counterinsurgency and irregular warfare particularly

highlighting and examining the U S Marine Corps roles in conflicts from 1898 through 2007 It also includes an extensive bibliography of works on these conflicts Continuing discussion and study of these subjects is of critical importance to the ongoing efforts of the United States and its allies in the Global War on Terrorism The anthology is divided broadly into two halves the first half presents historical examples of counterinsurgency involving the United States from the Philippines and the Banana Wars up through Vietnam while the second half addresses the nation s contemporary efforts in this regard Articles cover the situations in Iraq Afghanistan and the Horn of Africa The selected bibliography addresses a broad range of subjects on higher end operational strategic level of war considerations on geopolitical context and on a varied array of related topics political theory historical case studies failed states cultural studies and analysis and many others that all provide context or play a role in conducting a counterinsurgency and achieving success in the realm of irregular warfare Colonel Stephen S Evans USMCR researched and compiled this work as a field historian with the Marine Corps History Division He has experience at various operational levels both joint and multinational in CONUS and overseas and has performed duty with all three MEFs MARFORLANT MARFOREUR and U S forces in Korea He has also held a range of positions in administrative and educational roles at Quantico and the Pentagon Colonel Evans holds a doctorate in history from Temple University and has published two historical monographs      **Geology of Shawnee County, Kansas** William D. Johnson, W. L. Adkison, Holly Clyde Wagner, 1967
