The Prayer Book Guide to Christian Education, Third Edition Sharon Ely Pearson, Robyn Szoke, 2009-05-01 While this one volume guide is especially useful for Christian educators showing them how to teach week by week according to the ethos and tradition of the Episcopal Church it also provides a valuable and useful reference tool for all church leaders and members in connecting Christian faith to daily life This new guide to Christian education and formation is based on the Book of Common Prayer the cornerstone of Anglican

liturgy and theology Keyed to the Revised Common Lectionary all activities and lessons are structured on the seasons and lessons for Years A B and C The guide stresses the major themes of baptismal theology and shows how teachers parents and children can live the liturgical cycle in Christian formation ministries at church and at home

The Gospel of John and Jewish-Christian Relations Adele Reinhartz, 2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to *hoi ioudaioi* a designation most often and best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile stance towards the Jews These passages express several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8 44 The essays in this book address both the Gospel s stance towards the Jews and the Gospel s impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel s impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians in the modern world
