**The Legacy of John Lennon** David A. Noebel, 1982      **The Words and Music of John Lennon** Ben Urish, Ken Bielen, 2007-06-30 Despite John Lennon's immense popularity little attention has been paid to his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon's artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Despite John Lennon's immense popularity little attention has been paid to the overall efforts of his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles and what the Beatles experience gave to him but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Whether expressing emotions explaining philosophies protesting social situations or ruminating on the joys and pains of personal entanglements few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon's artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Although he is often lauded as a spokesperson for his generation this praise however intended is far too limiting Lennon was able to transform the intensely personal into the deeply universal as well as the reverse often with humor and pointed insight At their core his songs are simultaneously humanistic and transcendent And as such they and he continue to be relevant and will certainly remain a valuable part of our cultural heritage for a long time to come      **Bad Vibrations** James Kennaway, 2016-04-15 Music has been used as a cure for disease since as far back as King David's lyre but the notion that it might be a serious cause of mental and physical illness was rare until the late eighteenth century At that time physicians started to argue that excessive music or the wrong kind of music could over stimulate a vulnerable nervous system leading to illness immorality and even death Since then there have been successive waves of moral panics about supposed epidemics of musical nervousness caused by everything from Wagner to jazz and rock n roll It was this medical and critical debate that provided the psychiatric rhetoric of degenerate music that was the rationale for the persecution of musicians in Nazi Germany and the Soviet Union By the 1950s the focus of medical anxiety about music shifted to the idea that musical brainwashing and subliminal messages could strain the nerves and lead to mind control mental illness and suicide More recently the prevalence of sonic weapons and the use of music in torture in the so called War on Terror have both made the subject of music that is bad for the health

worryingly topical This book outlines and explains the development of this idea of pathological music from the Enlightenment until the present day providing an original contribution to the history of medicine music and the body      **Fab Four FAQ** Stuart Shea, Robert Rodriguez, 2007-07 FAQ 40 years after the release of the iconic Sgt Pepper s Lonely Hearts Club Band the Beatles continue to captivate music fans of all ages There s something always more to discuss about the Fab Four What were their greatest live performances Their worst moments Stories still unknown by most music fans trends still unseen history still uninterpreted are all revealed in Fab Four FAQ Pop culture authors Stuart Shea and Rob Rodriguez provide must know fan trivia and offer obscure Beatles facts and stories in an easy to read provocative format that will start as many arguments as will end them With more than sixty chapters of stories history observation and opinion Fab Four FAQ lays bare the whys and wherefores that made the Beatles so great giving credit where credit is due and maybe bursting some bubbles along the way      *Taboo Tunes* Peter Blecha, 2004-04-01 In this extensively researched ode to scandal Peter Blecha recounts the travails of musicians who have dared to air unacceptable topics Filled with several centuries worth of raunchy sex ditties morbid murder ballads satanic songs paeans to intoxication      **Here, There & Everywhere** Carol D. Terry, 1985      Pop Culture Wars William D. Romanowski, 2006-02-15 Entertainment has long been a source of controversy in American life On the one hand American popular culture is enormously desired captivating audiences around the world On the other hand more and more critics blame it for the breakdown of morals and even civilizations itself Surely Christians and other religious citizens have something to contribute to what is after all a discussion of morality But too often their contributions have been ill informed unreflective and reactionary In this groundbreaking book William Romanowski brings something desperately needed to the discussion an informed systematic and challenging Christian perspective Comprehensive and historically revealing Pop Culture Wars bids to accomplish nothing less than to reframe and render more constructive a crucial but angry cultural debate      **The John Lennon Encyclopedia** Bill Harry, 2000 The John Lennon Encyclopedia is the most comprehensive book about John Lennon ever produced By best selling author and Beatles expert Bill Harry this A Z guide will tell you everything you ever wanted to know about one of the twentieth century s most talented and enigmatic figures From his difficult childhood to his early days with the Beatles and from his groundbreaking solo projects to his work with Yoko Ono this book reveals in intimate detail the man behind the myth helping to explain Lennon s enduring status as a popular icon It contains every track Lennon ever wrote or worked on every gig he ever played and full biographies of everyone who was involved in his life story This is the most comprehensive guide ever published to the guiding genius of the world s greatest band It comes in at almost one thousand pages and half a million words this is the ultimate celebration of all things Lennon      **Come Together** Jon Wiener, 1984 Reprint Originally published New York Random House c1984      *The Beatles with Lacan* Henry W. Sullivan, 1995 The Beatles were the most significant cultural phenomenon of their time but what exactly did they signify Using a psychoanalytic approach The Beatles with Lacan attempts to answer this still relevant question It argues that

Beatlemania and the music of Lennon McCartney highlighted the end of the Modern Age as it had been expressed in the ideals of the Enlightenment The albums from Revolver 1966 to Abbey Road 1969 are seen collectively as the first popular post modern classic of western music and the Beatles themselves as cultural pioneers of enduring achievement **St. James Guide to Biography** Paul E.
