The Letter To The Romans:

The Letter to the Romans William Barclay, 2013-01-25 In Romans Paul distills the very essence of his faith and belief. He writes to the vanguard of the new Christian faith in the heart of the greatest empire the world had ever known. Paul understood the importance to Rome's fledgling church of a secure foundation from which to launch itself, and this letter was to be that foundation. William Barclay makes Paul's words relevant in today's world, showing us that we are not too different from the Romans to whom this letter was addressed nearly 2000 years ago. **The Textual History of the Letter to the Romans** Harry Y. Gamble, 1977 A revision of the author's thesis Yale 1970. **Paul's Letter to the Romans** Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek, Hultgren walks readers through Romans verse by verse, illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features. He also demonstrates the forward-looking missional character of Paul's epistle, written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain. The Theology of Paul's Letter to the Romans Klaus Haacker, 2003-11-27 Klaus Haacker, a respected expert on Paul's writings, presents a compelling introduction to the theology of the Letter to the Romans. This volume completes Cambridge's successful New Testament Theology series. In keeping with the series, it explores the distinctive ideas and issues of the Epistle at greater length than is possible in commentaries or theological dictionaries. Professor Haacker focuses on themes such as righteousness, suffering, and hope, and the mystery of Israel in the age of the gospel. Engaging with Paul's rhetoric, strategy, he shows how both ancient Rome and the spiritual heritage of Israel provide contexts for the Letter and help us to understand its message to the original readers and its abiding impact on Christianity. The book will be of interest to teachers, pastors, and students of theology and the New Testament.

Paul's Letter to the Romans J. A. Ziesler, 1989 Includes text of Romans in English. The Letter to the Romans Douglas J. Moo, 2018-11-26 For more than twenty years Douglas Moo's NICNT volume on Romans has been providing pastors, students, and scholars with profound insight into Paul's most famous letter. In this thorough revision of his commentary, Moo deals with issues that have come into prominence since the first edition, 1996, incorporating the latest research and rewriting the text throughout for better comprehension. Exegetically astute and theologically minded, Moo interacts critically with the new perspective on Paul, highlights the emphasis in Romans on practical divinity, and traces the theme of the gospel throughout the letter. His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers. **The Letter to the Romans** Udo Schnelle, 2009 The letter to the Romans is the study of the New Testament. Several essays are assembled here to interpret the most important writings of the New Testament, answering questions we have today of the ancient texts. This book is for anyone who desires to know more deeply the international research of the Bible. **BOOK JACKET** Paul's Letter to the Romans Douglas J. Moo, Eckhard Schnabel, Thomas R. The Epistle to the Romans Douglas J. Moo,1996-09-30 Paul's letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle

The Letter of Paul to the Romans Frederick Fyvie Bruce,1985 F F Bruce's study on Romans is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities

The Letter to the Romans Emil Brunner,2002 Brunner sees St Paul's Epistle to the Romans as the chapter of destiny of the Christian Church Here in Luther's words is the purest gospel upon which the very existence of the Christian faith depends and from which it draws its life Concentrated decisive and instructive nothing within the New Testament is more closely argued both theological and personal Out of his years of scholarly wisdom Brunner meditates on the great Epistle and in his commentary elucidates the massive Pauline arguments which are the bed rock of Christian belief and Christian proclamation

Paul's Letter to the Romans Colin G. Kruse,2012-06-14 In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator judge and redeemer of the world from publisher description

The Greatest Letter Ever Written French L. Arrington, From studying Paul's letter to the Romans we can learn the content of the Christian faith like nowhere else in the New Testament Paul's words are loaded with divine truth and require careful study and thought Indeed the letter to the Romans is

a theological jewel but Paul's discussions in the letter are sensible and practical. As the name of the letter indicates Paul wrote it to a church in a city known as Rome. At the same time without knowing it he wrote it to the whole world and for all the ages supporting the efforts of cross cultural ministry and providing a key to understanding the Bible. So even though this great letter was addressed to the saints in Rome during the first century its message is eternal and its mandates are universal.
