The Letters Of Charles John Brydges 1883-1889:

The Letters of Charles John Brydges 1879-1889, Hudson's Bay Company Land Commissioner Charles John Brydges, 1977 **The Court of Queen's Bench of Manitoba, 1870-1950** Dale Brawn, 2006-12-15 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba's Court of Queen's Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province's highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government

Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada Ramsay Cook, Jean Hamelin, 1966 Internet version contains all the information in the 14 volume print and CD ROM versions fully searchable by keyword or by browsing the name index **Canada and the Métis, 1869-1885** D.N. Sprague, 2009-08-10 In this book Professor D N Sprague tells why the Métis did not receive the land that was supposed to be theirs under the Manitoba Act Sprague offers many examples of the methods used such as legislation justifying the sale of the land allotted to Métis children without any of the safeguards ordinarily required in connection with transactions with infants Then there were powers of attorney tax sales any number of stratagems could be used and were to see that the land intended for the Métis and their families went to others All branches of the government participated It is a shameful tale but one that must be told from the foreword by Thomas R Berger **The Beaver Hills Country** Graham MacDonald, 2009 This book explores a relatively small but interesting and anomalous region of Alberta between the North Saskatchewan and the Battle Rivers Ecological themes such as climatic cycles ground water availability vegetation succession and the response of wildlife and the impact of fires shape the possibilities and provide the challenges to those who have called the region home or used its varied resources Indians Métis and European immigrants **The Letters of Charles John Brydges, 1883-1889, Hudson's Bay Company Land**

Commissioner Charles John Brydges, 1981 **Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada** Frances G. Halpenny, Jean Hamelin, 1990-05 These biographies of Canadians are arranged chronologically by date of death Entries in each volume are listed alphabetically with bibliographies of source material and an index to names **Lord Strathcona** Donna McDonald, 2002-09 Donald Smith known to most Canadians as Lord Strathcona was an adventurer who

made his fortune building railroads He joined the Hudson s Bay Company at age eighteen and went on to build the first railway to open the Canadian Northwest to settlement As his crowning achievement he drove the last spike for the nation building Canadian Pacific Railway In 1896 Smith became Canada s High Commissioner in London and was soon elevated to the peerage He became a generous benefactor to Canadian institutions This eminently readable biography brings to light new information including details about Strathcona s personal life and his scandalous marriage

Business & Industry

Gregory P. Marchildon,2012 This fourth volume of the History of the Prairie West Series contains fifteen articles examining the rich history of business and early industry in Canada s Prairie Provinces prior to the Great Depression Without denying the central importance of agriculture in the development and growth of the early Prairie West the essays in Business and Industry explore the lesser known history of some of the earliest businesses in the region As we enter the second decade of the twenty first century a time when the three Prairie Provinces comprise the fastest growing and perhaps the most dynamic economic regions in Canada it may be worthwhile to cast our gaze back to an earlier and simpler era In these essays we can glimpse the origins of the entrepreneurial spirit and business ehtos that have come to define the business culture of the Prairie West

Dictionary of Manitoba Biography J.M. Bumsted,1999-12-10 Manitoba has been at the crossroads of many of the important debates and events in Canadian history From the early fur trade to the Riel Rebellion to the Winnipeg General Strike Manitobans have frequently played crucial roles in Canadian and sometimes world history Until now there has been no comprehensive contemporary source for information on the many Manitobans who have left their mark on history and society *Dictionary of Manitoba Biography* fills this gap with biographical sketches of over 1700 Manitobans who have made an impact in politics the arts sports commerce agriculture and society It is an invaluable resource for scholars students and general readers interested in Canadian history Particular emphasis has been placed on reflecting Manitoba s ethnic and social diversity and on including men and women who were notable in their own day but have now been forgotten Many entries also refer the reader to additional references for further reading More than a reference book *Dictionary of Manitoba Biography* is also a fascinating work of history in its own right which presents the full and colourful scope of over 300 years of people in Manitoba history and social life from premiers and mayors to nightclub owners and sports heroes

Clearing the Plains James William Daschuk,2013 In arresting but harrowing prose James Daschuk examines the roles that Old World diseases climate and most disturbingly Canadian politics the politics of ethnocide played in the deaths and subjugation of thousands of aboriginal people in the realization of Sir John A Macdonald s National Dream It was a dream that came at great expense the present disparity in health and economic well being between First Nations and non Native populations and the lingering racism and misunderstanding that permeates the national consciousness to this day *Clearing the Plains* is a tour de force that dismantles and destroys the view that Canada has a special claim to humanity in its treatment of indigenous peoples Daschuk shows how infectious disease and state supported starvation combined to create a creeping relentless

catastrophe that persists to the present day The prose is gripping the analysis is incisive and the narrative is so chilling that it leaves its reader stunned and disturbed For days after reading it I was unable to shake a profound sense of sorrow This is fearless evidence driven history at its finest Elizabeth A Fenn author of Pox Americana Required reading for all Canadians Candace Savage author of A Geography of Blood Clearly written deeply researched and properly contextualized history Essential reading for everyone interested in the history of indigenous North America J R McNeill author of Mosquito Empires
