To which are added the reminiscences of R.W. Emerson [and others].** Sarah Margaret Ossoli (march.), 1903 **The Letters of Margaret Fuller** Margaret Fuller, 2018-10-18 From 1844 to 1847 Margaret Fuller served as review editor for Horace Greeley's New York Herald Tribune and herself reviewed books by Edgar Allan Poe and Herman Melville among others and published Papers on Literature and Art a volume of her own essays She became known as something of a radical in literary circles allying herself with George Sand Emerson and Goethe and with the Young America poets Evert A Duyckinck Cornelius Mathews and William Gilmore Simms In August 1846 Fuller left for Europe with her friends Marcus and Rebecca Spring Her letters describe her meetings there with Thomas Carlyle George Sand Lamennais and the aging Wordsworth and with such political figures as the exiles Giuseppe Mazzini and Adam Mickiewicz Often the letters expand upon topics addressed in her public writing Her life in these years however is dominated by her love for the German businessman James Nathan The nearly fifty letters she wrote to him in 1845 and 1846 show her startling willingness to take a subservient role and her longing for emotional acceptance Dreams of a lasting relationship with Nathan end in Europe with his betrothal to another woman but by the spring of 1847 she had recovered from her deep disappointment and gone on to achieve great personal growth both in her consciousness of herself as a woman and in political awareness By the time this volume comes to a close she has met Giovanni Ossoli a man who shares her ideals and offers her emotional security **Love-letters of Margaret Fuller, 1845-1846, with an Introd. by Julia Ward Howe** Margaret Fuller, 1903 *The Lives of Margaret Fuller* John Matteson, 2012-01-23 This is the biography of American writer adventurer and social critic Margaret Fuller Margaret Fuller Donna Dickenson, 1993-07-13 **Italy in the American Imagination** Ian J. Bickerton, 2023-10-04 It is almost impossible to imagine the United States without making reference to Italy There is scarcely any aspect of American culture untouched by Italy its history art architecture fashion film music the mafia or even more viscerally its food Italy occupies a space of near mythical proportion in the American imagination When many Americans think of or dream about and imagine the good life how and where they would like to live they think most often of Italy the beauty the life style the romance the excitement and sense of adventure that Italy offers By looking at the fluid and multi dimensional imaginative interactions Americans have with Italian culture and society this comprehensive and robust volume offers a new and novel way of exploring the influence of Italy upon the United States University of New South Wales historian Ian James Bickerton argues

that if we wish to understand the United States and how Americans define themselves and their nation it is vital to examine how they imagine themselves and he demonstrates that throughout U S history one of the most powerful stimulants shaping the imaginary world of Americans has been Italy

**Edinburgh Companion to Nineteenth-Century American Letters and Letter-Writing** Celeste-Marie Bernier, 2016-02-15 Provides a wide ranging entry point and intervention into scholarship on nineteenth century American letter writing This comprehensive study by leading scholars in an important new field the history of letters and letter writing is essential reading for anyone interested in nineteenth century American politics history or literature Because of its mass literacy population mobility and extensive postal system nineteenth century America is a crucial site for the exploration of letters and their meanings whether they be written by presidents and statesmen scientists and philosophers novelists and poets feminists and reformers immigrants Native Americans or African Americans This book breaks new ground by mapping the voluminous correspondence of these figures and other important American writers and thinkers Rather than treating the letter as a spontaneous private document the contributors understand it as a self conscious artefact circulating between friends and strangers and across multiple genres in ways that both make and break social ties

Margaret Fuller, Wandering Pilgrim Meg McGavran Murray,2012-07-01 How is it that I seem to be this Margaret Fuller the pioneering feminist journalist and political revolutionary asked herself as a child What does it mean Filled with new insights into the causes and consequences of Fuller s lifelong psychic conflict this biography chronicles the journey of an American Romantic pilgrim as she wanders from New England into the larger world and then back home under circumstances that Fuller herself likened to those of both the prodigal child of the Bible and Oedipus of Greek mythology Meg McGavran Murray discusses Fuller s Puritan ancestry her life as the precocious child of a preoccupied grieving mother and of a tyrannical father who took over her upbringing her escape from her loveless home into books and the unorthodox and influential male and female role models to which her reading exposed her Murray also covers Fuller s authorship of *Woman in the Nineteenth Century* her career as a New York Tribune journalist first in New York and later in Rome her pregnancy out of wedlock her witness of the fall of Rome in 1849 during the Roman Revolution and her return to the land of her birth where she knew she would be received as an outcast Other biographies call Fuller a Romantic Margaret Fuller *Wandering Pilgrim* illustrates how Fuller internalized the lives of the heroes and heroines in the ancient and modern Romantic literature that she had read as a child and adolescent as well as how she used her Romantic imagination to broaden women s roles in *Woman in the Nineteenth Century* even as she wandered the earth in search of a home

**Through the Periscope** Martino Marazzi,2022-06-01 The constant dialogue between literary forms of the Old and the New World is the core concern of the essays in *Through the Periscope* which examine these ever changing historical intellectual and psychological landscapes through the lens of Italian American culture Moving beyond Little Italy the book widens the spectrum of pure immigrant studies It analyzes the longue dur e of the revolutionary energies of 1848 an arc that leads from Margaret Fuller to Bob Dylan via the Great Migration of European peoples and languages as well as the merging of various immigrant voices in the changing culture of turn of the century New York It reclaims the importance of Dante for Italian American writers and follows the metamorphosis of a Romance language dense in masterworks and oral nuances through the multiple signs of a new illiterature Points of arrival are both the majestic proletarian novels of the 1930s and a contemporary poem like Robert Viscusi s *Ellis Island* Martino Marazzi s volume underlines the richness of such an epic cultural transformation and its fundamental importance for a more thorough understanding of Euro American relations

The Forgotten Alcott Azelina Flint,Lauren Hehmeyer,2021-12-30 This collection is the first academic study of the captivating life and career of expatriate artist writer and activist May Alcott Nieriker Nieriker is known as the sister of Louisa May Alcott

and model for Amy March in Alcott's *Little Women*. As this book reveals, she was much more than Amy: she had a more significant impact on the Concord community than her sister and later became part of the creative expat community in Europe. There she imbued her painting with the abolitionist activism she was exposed to in childhood and pursued an ideal of artistic genius that opposed her sister's vision of self-sacrifice. Embarking on a career that took her across London, Paris, and Rome, Nieriker won the acclaim of John Ruskin and forged a network of expatriate female painters who changed the face of nineteenth-century art, creating opportunities for women that lasted well into the twentieth century. A Renaissance woman, Nieriker was a travel writer, teacher, and curator. She is recovered here as a transdisciplinary subject who stands between disciplines, networks, and ideologies, striving to recognize the dignity of others. Contributors include foundational Alcott scholar Daniel Shealy and Pulitzer Prize winner John Matteson, as well as Curators Jan Turnquist Orchard House and Amanda Burdan Brandywine River Museum of Art. In this book, readers will become acquainted with a dynamic feminist thinker who transforms our understanding of the place of women artists in the wider cultural and intellectual life of nineteenth-century Britain, France, and the United States. **Humanities**, 1987 **Humanities** National Endowment for the Humanities, 1987
