

Dear Mr. Dear Donal

I send you the Marlborough but as you desire to
have return for the two gentlemen I have I have the story of
the last & the story reference the last with the Introduction to
the Marlborough I suppose Mr. Newman will be secured by some
means into the Marlborough. The extracts with which you obliged
me respecting the Lottin's house are very curious. I am to say that
the payment of the last of the Marlborough was in fact the
successor and Representation of the last of the Marlborough by
the Donal Marlborough of the Marl.

I am always your much obliged
Walter Scott

countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers
