discovered which Robinson himself could not have made more intelligent use of These re semblances to both Crusoe and Captain Avery make it probable that Defoe did not compose Captain Singleton till after they were written that is till the end of 1719 or the beginning of 1720 As Dun can Campbell which appeared only five weeks before Singleton was probably composed about the same time the probability becomes almost a certainty that the Memoirs of a Cavalier which appeared two weeks before Singleton was composed before Robin son Crusoe had shown Defoe the field of literature which was to yield him the richest harvest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
