TV Guide ,2006 **Only in America** Kario Salem,1997 **Arum and King** Marty Corwin,2025-02-18 A fascinating behind the scenes look at the two most iconic boxing promoters in the last 100 years When it comes to boxing promoters there are no two figures more successful than Bob Arum and Don King Both ruled the sport at the highest level for several decades promoting such superstars as Mike Tyson Larry Holmes Muhammad Ali Oscar De La Hoya Floyd Mayweather and Manny Pacquiao In *Arum and King Six Decades of Boxing Gold* television producer and director Marty Corwin provides a unique perspective into the lives and careers of these two legends As the only person to have been a department head for both promoters Corwin offers fresh insight into what happens before during and after the fights the dealings the prep work the negotiations the mind games and shares it all in this book for the first time In addition Corwin takes readers inside the complex world of broadcasting for some of boxing s most iconic moments There will never be another Bob Arum or Don King Boxing promotion has changed dramatically since both men began their careers Today hundreds of internet channels streaming services social networks and broadcast outlets muddy the promotional waters The inside stories featured in *Arum and King* therefore reveal not only the difficult risky and exhausting lives of boxing promoters but also deliver a glimpse into the end of an era *Don King Came Calling* David C. Garland,2016-06-07 The book opens when I receive an unexpected phone call from Hector Elizalde an employee at Don King s office in Florida He is en route to a meeting in Europe and will

return to the UK in a week's time. He promises to call again upon his return. He is as good as his word and phones with an offer to join Don King's organisation where the expertise I gained while working for CNN International for ten years can be put to good use. Satellite broadcasting provides a means of distributing current or delayed footage of boxing programmes to subscribers throughout the world. Consequently my knowledge will generate more income from the sale of Don King's boxing programmes. Subscribers download the satellite's signals and depending on time zones they can broadcast the programming immediately or at a time of their choosing. Two broadcasts of the programme are permitted under the contract for each programme received. The book while concentrating on the Don King story intercedes with my life story up to the time when I eventually join Don at his office in Florida. My knowledge of an annual event named Sportel which is held in Monaco persuades Don King to rent a booth where sales of programming are made to buyers eager to meet Don King. This results in increased sales of his boxing programmes and opens the way for Sportel to extend its reach to an annual event in Miami. Don King Came Calling with its twists and turns is a remarkable book that will captivate its readers. *The Inner Ring (Premium Edition)* Rudy Gonzalez, Martin A. Feigenbaum, 2017-12-17. This powerful story answers those questions through Rudy Gonzalez, the only person to survive for so long in Tyson's inner ring. For more than five years Rudy was at Tyson's side as his chauffeur, bodyguard and personal aide. Rudy witnessed the deceit, betrayal and fraud perpetrated upon his boss by Don King and others. What really happened to Mike Tyson? The shocking answers lie within the pages of *The Inner Ring*. This book also is available as a full color paperback Collector's Edition and as a Kindle and Kindle App download for digital devices including tablets and smartphones. *I Am Duran* Roberto Duran, 2016-09-20. They called him Manos de Piedra, Hands of Stone, and he was one of the greatest boxers of all time. Now Roberto Duran tells his unbelievable story from the streets of Panama to being crowned one of the Four Kings along with Hearns, Leonard and Hagler as he blazed a trail through the Golden Age of Boxing. Born into abject poverty, barely able to read or write, Duran quickly realized that his fists could both protect him on the streets and put food on the table. His reputation was established on the day when for a bet he knocked down a horse with a single punch. At the age of twenty-one he claimed his first world title against Ken Buchanan at Madison Square Garden. The legend of Manos de Piedra was born, but his most glorious moment was yet to come. In 1980 Duran delivered one of the greatest upsets in boxing history by defeating the previously unbeatable Sugar Ray Leonard. But greater fame brought greater distractions, and Duran's endless partying took its toll. Before the two superstars faced each other again, here for the first time ever, Duran confronts the debacle of the rematch that entered sporting folklore and the truth behind the moment he was heard to utter the infamous words, 'No más, No more.' Duran's explosive performances in the ring were matched only by the volatility of his life outside it. He lurched from living like royalty to bankruptcy and after being written off as a boxing also ran, made a bloody, legendary comeback that gave his career the ultimate ending and finally

brought redemption He came from nothing and changed the world I Am Dur n is the autobiography of one of boxing s most iconic legends **Don King Boxing** Take 2 Interactive,2009 Baddest Man Mark Kriegel,2025-06-03 From the acclaimed New York Times bestselling author whose coverage of Mike Tyson and his inner circle dates back to the 1980s a magnificent noir epic about fame race greed criminality trauma and the creation of the most feared and mesmerizing fighter in boxing history On an evening that defined the greed is good 1980s Donald Trump hosted a raft of celebrities and high rollers in a carnival town on the Jersey Shore to bask in the glow created by a twenty one year old heavyweight champion Mike Tyson knocked out Michael Spinks that night and in ninety one frenzied seconds earned more than the annual payrolls of the Los Angeles Lakers and Boston Celtics players combined It had been just eight years since Tyson a feral child from a dystopian Brooklyn neighborhood was delivered to boxing s forgotten wizard Cus D Amato who was living a self imposed exile in upstate New York Together Cus and the Kid were an irresistible story of mutual redemption darlings to the novelists screenwriters and newspapermen long charmed by D Amato and perfect for the nascent industry of cable television Way before anyone heard of Tony Soprano Mike Tyson was HBO s leading man It was the greatest sales job in the sport s history and the most lucrative But the business of Tyson concealed truths that were darker and more nuanced than the script would allow The intervening decades have seen Tyson villainized lionized and fetishized but never until now fully humanized Mark Kriegel an acclaimed biographer regarded as the finest boxing writer in America was a young cityside reporter at the New York Daily News when he was first swept up in the Tyson media hurricane but here he measures his subject not by whom he knocked out but by what he survived Though Tyson was billed as a modern day Jack Dempsey in truth he was closer to Sonny Liston Tyson was Black feared and born to die young What made Liston a pariah though would make Tyson in a way his own handlers could never understand a touchstone for a generation raised on a soundtrack of hip hop and gunfire What Peter Guralnick did for Elvis in Last Train to Memphis and James Kaplan for Sinatra in Frank Kriegel does for Tyson It s not just the dizzying ascent that he captures but also Tyson s place in the American psyche The Inner Ring Martin A. Feigenbaum,2017 Don King Boxing-Nla Take 2 Interactive,2009 **Slaughter in the Streets** Don Stradley,2020-02-25 In Slaughter in the Streets Don Stradley masterfully unfolds the story of how Boston became boxing s murder capital From the early days of Boston s Mafia to the era of Whitey Bulger Stradley tells the fascinating stories of men who were drawn to the dual shady worlds of boxing and the mob **The Years of the Locust** Jon Hotten,2009 TRUE CRIME A true story of intrigue paranoia murder and money set in the shimmering cities of South Florida in the 1990s It s the story of two men who never should have met and when they did one killed the other It would be impossible to invent a man like Rick Parker a freakishly fat ginger haired giant who modelled his personal style on Elvis Presley and wanted to become the next Don King Then Rick met Tim Anderson a handsome funny former baseball pro was he the fighter to take Parker all the way Rick left a trail of fixed fights and violent mayhem all across the South but his dream stayed out of reach By the end of his reign of

terror the heroic Tim would be broke poisoned and facing the hardest choice of his life The Years of The Locust turns a remarkable riotous true crime story into a profound examination of fate choices and remorse one that s scary sad and blackly bleakly funny Boxing and the Mob Jeffrey Sussman,2019-05-08 More than any other sport boxing has a history of being easy to rig There are only two athletes and one or both may be induced to accept a bribe if not the fighters then the judges or referee might be swayed In such inviting circumstances the mob moved into boxing in the 1930s and profited by corrupting a sport ripe for exploitation In Boxing and the Mob The Notorious History of the Sweet Science Jeffrey Sussman tells the story of the coercive and criminal underside of boxing covering nearly the entire twentieth century He profiles some of its most infamous characters such as Owney Madden Frankie Carbo and Frank Palermo and details many of the fixed matches in boxing s storied history In addition Sussman examines the influence of the mob on legendary boxers including Primo Carnera Sugar Ray Robinson Max Baer Carmen Basilio Sonny Liston and Jake LaMotta and whether they caved to the mobsters threats or refused to throw their fights Boxing and the Mob is the first book to cover a century of fixed fights paid off referees greedy managers misused boxers and the mobsters who controlled it all True crime and the world of boxing are intertwined with absorbing detail in this notorious piece of American history Mike Tyson Reg Gutteridge,1996 This is the inside story of Mike Tyson the most explosive and controversial world heavyweight boxing champion of all time It traces his rise from the poverty and street violence of his youth to the richest prize in the world of sport and then his sensational fall after a rape conviction placed him behind prison bars Interviews with Tyson while he was incarcerated vividly illustrate the complexity of his often terrifying character The Fighting Frenchman Paul Levy,2016 Scott LeDoux s face read like a roadmap of boxing s last golden era eye thumbled by Larry Holmes brow gashed by Mike Tyson ears stung by none other than Muhammad Ali George Foreman hit me so hard LeDoux said my ancestors in France felt it The only man to step into the ring with eleven heavyweight champions LeDoux also fought through two of boxing s greatest scandals recurring illness and childhood trauma that haunted him for decades This is his story the life and times of a Minnesota Rocky making the most of the hard knocks that bruise the American Dream told in full for the first time by award winning journalist Paul Levy He was never a world champion but Scott LeDoux was always the people s champ Doing his best to turn a small town miner s son into boxing s next great white hope Don King said of Scott LeDoux He eats rusty nails for breakfast punches holes in concrete with either hand bobs and weaves like a giant Rocky Marciano He was a big good natured kid with a ready wit and the will to take all comers along on a ride he himself found hard to believe From the mining community of Crosby Minnesota to the dingy mildew scented dressing rooms in minor league towns like Sioux Falls and Billings to the stage of Madison Square Garden Levy gives us a real sense of what it was like to spar with fighters such as Tyson and Ali The buried secrets of childhood abuse and the harrowing sadness of death and disease in his family make LeDoux s triumphs and defeats all the more poignant and in Levy s irresistible narrative unforgettable
