**John Gibson Lockhart, Vol. 1 of 2** Andrew Lang,2015-07-26 Excerpt from The Life and Letters of John Gibson Lockhart Vol 1 of 2 From Abbotsford and Milton Lockhart Mss And Other Original Sources This Life of Mr Lockhart has been compiled under many difficulties some of which I foresaw while others I did not anticipate The book grew out of the publisher s wish that I should prepare for him an edition of Mr Lockhart s Life of Sir Walter Scott An introductory chapter on the author of that great work seemed desirable and the chapter swelled into a biography of Mr Lockhart The book had not been in hand for more than two or three months when I found that there were impediments which a fuller knowledge of Mr Lockhart s professional career would have taught me to anticipate As regards his relations with Mr John Wilson Croker and with the Quarterly Review documents exist which perhaps may some day be given to the world Their absence from this work is touched on later in the appropriate place About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *LIFE & LETTERS OF JOHN GIBSON* Andrew 1844-1912 Lang,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public
