**Fearless in Tibet** Matteo Pistono, 2014-05-27 Through the life of one of the great masters of Buddhist thought, past Matteo Pistono powerfully shows a route for all people to live in harmony and with unbelievable powers. Nineteenth century Tibetan mystic Tert n Sogyal was a visionary whose mastery of meditation led him to be a revered teacher to the Thirteenth Dalai Lama. Known for his deep spiritual insights and service to the nation of Tibet, Tert n Sogyal's ability to harness the power of the mind was born of both his profound understanding of the Buddha's teachings and the unique experiences he had while striving for peace against tremendous odds. His life is an example of courage and diligence appreciated by spiritual practitioners of all traditions, and his practical instructions on meditation and opening one's heart amid conflict, uncertainty, and change are as relevant today as they were during his lifetime. *Fearless in Tibet*, the first comprehensive work in English on Tert n Sogyal, captures the essence of his teachings, visions, and spiritual realizations, as well as the challenges he faced during his early yogic training and his efforts to promote harmony between Tibet and China. Combining riveting storytelling and Tert n Sogyal's profound instructions, Matteo Pistono takes you on a journey through a mystical past that reveals practical inner guidance for today's challenges. You will see the power of transforming negativity into opportunity, letting go of attachments, becoming mindfully present, and embracing impermanence. This intricate tapestry of intrigue and spirituality will infuse your path with timeless wisdom and inspiration.
