Offer Them Life Dan W. Dunn,2013-07-15 In this book Dan Dunn proposes that the biblical theme of life is extremely important and thus provides a helpful foundation for the theory and practice of evangelism He makes a strong case for Christ followers to embrace a life based evangelistic vision as a way to help non believers choose the full and vibrant life that God intends for them in Jesus While making this strong case he also urges readers to avoid casting aside other evangelistic visions such as those based on discipleship the kingdom forgiveness atonement etc Instead he invites us to add a life based evangelistic vision to the possibilities available to us for helping people choose to follow Jesus and thus experience the life He makes possible for them
