The Life Of Graham Greene Volume Iii 1955 1991:

The Life of Graham Greene Norman Sherry, 2005

The Life of Graham Greene: 1955-1991 Norman Sherry, 2004

Through letters diaries and interviews this final volume of Graham Greene's biography takes him from China to the peril of Cuba through the rigours of the Belgian Congo to Haiti and other places that he visited up to the time of his quiet death at 86 in Switzerland

The Life of the Author: Graham Greene Andrew James, 2025-08-19 Exploring the creative mind of Graham Greene a metafictional study of a literary icon Graham Greene's novels offer more than gripping narratives they are a window into the author's creative obsessions The Life of the Author Graham Greene presents a groundbreaking study that unveils the intimate connection between Greene's life and work using metafictional analysis to reveal the evolution of his views on authorship and storytelling Moving beyond conventional critical interpretations literary scholar Andrew James invites readers to discover how Greene saw himself within his fiction and how his self perception shaped his literary masterpieces Written with both depth and accessibility this illuminating book delves into Greene's disciplined creative process his struggles with self doubt and his playful yet profound engagement with the craft of writing Organized thematically The Life of the Author focuses on Greene's post 1940 works where his identity as a writer solidified making his novels rich with autobiographical undertones Throughout the text James offers new insights into Greene's novels while connecting recurring themes to his personal and creative growth An innovative exploration of one of the twentieth century's most enigmatic authors The Life of the Author Graham Greene Examines Greene's novels through the lens of metafiction to offer a fresh perspective on his craft Presents detailed literary analyses that reveal the self reflective nature of Greene's storytelling Focuses on Greene's authorial identity tracing his growth as a writer from neutral observer to committed advocate Concentrates on Greene's major novels while avoiding exhaustive academic overviews to promote independent critical discovery Discusses the metafictional significance of Greene's novels and entertainments Enriching appreciation for Greene's artistry while exploring metafictional approaches in literary biography The Life of the Author Graham Greene is ideal for university courses in 20th century British literature biography and literary theory particularly at introductory and intermediate levels Scholars students and avid readers of Greene will find it an invaluable resource for understanding the interplay between an author's life and their creative output

Dangerous Edges of Graham Greene Dermot

Gilvary, Darren J. N. Middleton, 2011-11-17 Informative broad ranging this title sheds new light on the life and literary art of one of the last century's most celebrated authors The first volume to be authorized by the Graham Greene Birthplace Trust Dangerous Edges of Graham Greene brings together writers journalists and scholars to investigate as well as to assess Greene's prolific oeuvre and intense personal interests Here the reader may explore everything from Greene's Vienna at the time of the filming of The Third Man to his sometimes fraught relationship with Evelyn Waugh from Greene's unconventional fictional treatment of women to his believing skepticism While Greene often informed friends that a ruling passion gives to a

shelf of novels the unity of a system critics of his literary art have found it extraordinarily difficult to define the content of this ruling passion Perhaps this is because Greene s own character seems so paradoxical ironic even Moreover in believing that sin contains within itself the seeds of saintliness he consistently loiters on what Robert Browning calls the dangerous edge of things In exploring this dangerous edge this book covers the full breadth of Greene s life and literary career *Postmodern Fiction and the Break-Up of Britain* Hywel Dix,2011-11-03 A monograph analysing the symbolic role played by contemporary fiction in the break up of political and cultural consensus in British public life *The Cambridge Companion to English Novelists* Adrian Poole,2009-12-10 In this Companion leading scholars and critics address the work of the most celebrated and enduring novelists from the British Isles excluding living writers among them Defoe Richardson Sterne Austen Dickens the Bront s George Eliot Hardy James Lawrence Joyce and Woolf The significance of each writer in their own time is explained the relation of their work to that of predecessors and successors explored and their most important novels analysed These essays do not aim to create a canon in a prescriptive way but taken together they describe a strong developing tradition of the writing of fictional prose over the past 300 years This volume is a helpful guide for those studying and teaching the novel and will allow readers to consider the significance of less familiar authors such as Henry Green and Elizabeth Bowen alongside those with a more established place in literary history **The Art of Indirection in British Espionage Fiction** Robert Lance Snyder,2011-07-25 In contrast to the classical detective story the spy novel tends to be considered a suspect somewhat subversive genre While previous studies have focused on its historical thematic and ideological dimensions this critical work examines British espionage fiction s unique narrative form which is typically elliptical oblique and recursive Featured works include eighteen novels by Eric Ambler Graham Greene Len Deighton John le Carre Stella Rimington and Charles Cumming most of which exemplify the existential or serious spy thriller Half of these texts pertain to the Cold War era and the other half to its aftermath in the so called Age of Terrorism **The Encyclopedia of Christian Literature** George Thomas Kurian,James D. Smith III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles *Between Human and Divine* Mary Reichardt,2010 An introduction to recent

and emerging Catholic literary works and artists *Politics and the Novel During the Cold War* David Caute, 2017-09-08 David Caute's wide ranging study examines how outstanding novelists of the Cold War era conveyed the major issues of contemporary politics and history. In the United States and Western Europe the political novel flourished in the 1930s and 1940s the crisis years of economic depression fascism the Spanish Civil War the consolidation of Stalinism and the Second World War. Starting with the high hopes generated by the Spanish Civil War Caute then explores the god that failed pessimism that overtook the Western political novel in the 1940s. The writers under scrutiny include Hemingway Dos Passos Orwell Koestler Malraux Serge Greene de Beauvoir and Sartre. Strikingly different approaches to the burning issues of the time are found among orthodox Soviet novelists such as Sholokhov Fadeyev Kochetov and Pavlenko. Soviet official culture continued to choke on modernism formalism satire and allegory. In Russia and Eastern Europe dissident novelists offered contesting voices as they engaged in the fraught re telling of life under Stalinism. The emergence of the New Left in the 1960s generated a new wave of fiction challenging America's global stance. Mailer Doctorow and Coover brought fresh literary sensibilities to bear on such iconic events as the 1967 siege of the Pentagon and the execution of the Rosenbergs.

Reassessing the Twentieth-Century Canon N. Allen, D. Simmons, 2014-06-17 The collection brings together experts in the field of twentieth century writing to provide a volume that is both comprehensive and innovative in its discussion of a set of newly canonical texts. The book includes new applications of philosophical and critical thinking to established texts *Blood on the Stage, 1975-2000* Amnon Kabatchnik, 2012 Describes more than 80 full length plays produced in the last quarter of the 20th century with an emphasis on New York and London performances *The 1940s: A Decade of Modern British Fiction* Philip Tew, Glyn White, 2022-02-24 How did social cultural and political events concerning Britain during the 1940s reshape modern British fiction? During the Second World War and in its aftermath British literature experienced and recorded drastic and decisive changes to old certainties. Moving from potential invasion and defeat to victory the creation of the welfare state and a new Cold war threat the pace of historical change seemed too rapid and monumental for writers to match. Consequently the 1940s were often side lined in literary accounts as a dividing line between periods and styles. Drawing on more recent scholarship and research this volume surveys and analyses this period's fascinating diversity from novels of the Blitz and the Navy to the rise of important new voices with its contributors exploring the work of influential women Commonwealth exiled genre avant garde and queer writers. A major critical re evaluation of the intriguing decade this book offers substantial chapters on Elizabeth Bowen Graham Greene and George Orwell as well as covering such writers as Jocelyn Brooke Monica Dickens James Hadley Chase Patrick Hamilton Gerald Kersh Daphne Du Maurier Mary Renault Denton Welch and many others **Our Woman in Havana** Sarah Rainsford, 2018-09-06 Graham Greene saw the Castros rise. Sarah Rainsford watched them leave. From the street where Wormold the hapless hero of Greene's *Our Man in Havana* plied his trade BBC foreign correspondent Rainsford reports on Fidel's reshaping of a nation and what the future holds for

ordinary Cubans now that he and his brother Raul are no longer in power Through tales of literary ghosts and forgotten reporters believers in the revolution and dissidents entrepreneurs optimistic about the new Cuba and the disillusioned still looking for a way out Our Woman in Havana paints an enthralling picture of this enigmatic country as it enters a new era

Barbara Comyns Avril Horner,2024-03-19 The extraordinary twentieth century writer Barbara Comyns led a life as captivating as the narratives she spun This pioneering biography reveals the journey of a woman who experienced hardship and single motherhood before the age of thirty but went on to publish a sequence of novels that are unique in the English language Comyns turned her hand to many jobs in order to survive from artist s model to restoring pianos Hundreds of unpublished letters reveal an occasionally desperate but resourceful and witty woman whose complicated life ranged from enduring poverty when young to mixing with spivs spies and high society While working as a housekeeper in her mid thirties Comyns began transforming the bleak episodes of her life into compelling fictions streaked with surrealism and deadpan humour The Vet s Daughter 1959 championed by Graham Greene brought her fame although her use of the gothic and macabre divided readers and reviewers This biography not only excavates Comyns s life but also reclaims her fiction providing a timely reassessment of her literary contribution It sheds new light on a remarkable author who deftly captured the complexities of human life

British Diplomacy and US Hegemony in Cuba, 1898-1964 Christopher Hull,2013-01-11 An analysis of Cuba s history from a British diplomatic perspective during the period of US political and economic domination from 1898 to 1964 It investigates how Britain attempted to protect its trade and other interests in the island whilst always sensitive to the reactions of its most important ally the United States

American Rivals of James Bond Graham Andrews,2023-02-22 This is a critical history of spy fiction film and television in the United States with a particular focus on the American fictional spies that rivaled and were often influenced by Ian Fleming s James Bond James Fenimore Cooper s Harvey Birch based on a real life counterpart appeared in his novel The Spy in 1821 While Harvey Birch s British rivals dominated spy fiction from the late 1800s until the mid 1930s American spy fiction came of age shortly thereafter The spy boom in novels and films during the 1960s spearheaded by Bond heavily influenced the espionage genre in the United States for years to come including series like The Man from U N C L E and Matt Helm The author demonstrates that while American authors currently dominate the international spy fiction market James Bond has cast a very long shadow for a very long time

British Spy Fiction and the End of Empire Sam Goodman,2015-06-05 Drawing focus on a crucial period of contemporary British history this book explores Cold War anxieties over Imperial decline and British identity through analysis of space in popular twentieth century spy fiction enabling the cultural impact of decolonisation to be read in a new and revealing light Visiting the literary representation of space identity and power in the work of Ian Fleming Graham Greene and John le Carr it is an excellent resource for any scholars with an interest in spy fiction British fiction and popular literature

The Secret History of Dreaming Robert Moss,2010-09-07 Dreaming is vital to the human story It is essential

to our survival and evolution to creative endeavors in every field and quite simply to getting us through our daily lives All of us dream Now Robert Moss shows us how dreams have shaped world events and why deepening our conscious engagement with dreaming is crucial for our future He traces the strands of dreams through archival records and well known writings weaving remarkable yet true accounts of historical figures who were influenced by their dreams In this wide ranging visionary book Moss creates a new way to explore history and consciousness combining the storytelling skills of a bestselling novelist with the research acumen of a scholar of ancient history and the personal experience of an active dreamer

Graham Greene's Journeys in Spain and Portugal Carlos Villar Flor, David Stephen, 2024-01-12 This expansive and compelling literary biography details the many trips to Spain and Portugal that Graham Greene took in the last years of his life in the company of his friend the priest and professor Leopoldo Dur n It shows how these trips provided the inspiration for *Monsignor Quixote* 1982 which became Greene s favourite of his own novels

The Life Of Graham Greene Volume Iii 1955 1991 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Life Of Graham Greene Volume Iii 1955 1991 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Life Of Graham Greene Volume Iii 1955 1991 has opened up a world of possibilities. Downloading The Life Of Graham Greene Volume Iii 1955 1991 provides numerous advantages over physical copies of books and documents.

Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Life Of Graham Greene Volume Iii 1955 1991 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Life Of Graham Greene Volume Iii 1955 1991. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Life Of Graham Greene Volume Iii 1955 1991. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Life Of Graham Greene Volume Iii 1955 1991, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Life Of Graham Greene Volume Iii 1955 1991 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
