The Life Of Henry Moore:

The Life of Henry Moore Roger Berthoud, 1987 Henry Moore's rise from Yorkshire miner's son to international acclaim as the twentieth century's greatest sculptor is one of the most remarkable stories in British art. In this revised, updated, expanded and redesigned new edition of *The Life of Henry Moore*, Roger Berthoud charts Moore's transition from controversial young modernist to pillar of the art world establishment, garlanded with domestic and foreign honours. His account is enriched by the weekly interviews he did with Moore and his wife Irina before the sculptor's death in 1986, aged eighty-eight. At home and abroad, Moore's sculptures aroused strong passions and were often the object of abuse, sharp criticism and even physical assault as well as of admiration. He was attacked by younger artists among others who saw his growing fame as an obstacle to their advancement. He was to survive the ebb and flow in his reputation and emerge with the status of a contemporary old master. From a mass of material including recently discovered early letters and interviews with Moore's friends, his former assistants and students, dealers, collectors, museum officials and leading architects with whom he worked, Roger Berthoud has built up a lively and engaging though not uncritical picture of Moore's long life and career in this definitive biography. Book jacket *The Life of Henry Moore* R. Berthoud, **Henry Moore** Henry Moore, John Hedgecoe, 1999 suddenly the most commonplace objects came to have for me such significance that they no longer existed as just objects but as shape and form in space. Henry Moore. One of the world's greatest sculptors and a renowned photographer, close friends for thirty years combine forces to provide insight into what makes a great creative artist. Part personal history and part stunning presentation of Moore's work and inspirations, striking photographs show his major sculptures and collected art as well as the landscape and natural forms that indelibly influenced him. Compare Moore's own sculpted masks with the African and Mexican tribal pieces he so admires or his figures filled with energy with Hedgecoe's nude studies. Close-ups focus in on small fine details. Plus a treasured glimpse of Moore in his workshop. 208 pages, 16 in color, 230 b/w illus, 8 1/8 x 11 3/8.
