The Light of Conscience Bill Shore, 2005-08-09 AN INSPIRATIONAL MEDITATION ON THE POWER OF CONSCIENCE HOW A SIMPLE ACT A MOMENT OF PURPOSE CAN CHANGE YOUR LIFE YOUR COMMUNITY EVEN THE WORLD We all struggle at times to know what to do to seek and abide our conscience when right and wrong are not black and white when heart and head speak with different voices when our intentions and interests are not aligned If you believe that the outcome of these struggles affects the course of your life and the lives around you then this book is for you If you believe that there are times and places when the choice an individual makes to speak or be silent to eat or fast to remain seated or to stand up in a crowd to stare and remember or to walk on by and forget can be as powerful as a president's command a congressional appropriation or a military incursion then this book is for you This book is for you if your profession is rewarding financially but not spiritually or if you're ever worried that your career and conscience conflict This book is for you if you are a parent whose love of your children never wavers with the anxiety they cause you but sometimes leaves you wondering whether they will grow up to do the right thing even if no one is watching This book is for you if you question whether the countless small decisions you make each day add up to a larger judgment about your life's meaning Finally this book is for you if you believe that quiet often solitary acts of conscience have echoes louder than the original sound that individual acts have the potential to trigger large public consequences and continue to inspire others from generation to generation that such acts bring rewards to the individual that unforeseen benefits accrue that one gains more than was sacrificed and that there is a transformative power and richness to a life so lived

Principle to Overcoming Addiction is written for the individual who is caught in a lifestyle of bondage to sin and fear. It is also designed for anyone who has a loved one struggling with sins of this type and have a desire to educate, assist and support him according to God's Word. This book does not focus on motivational methods but instead focuses on the foundational truths of God's Word and its total sufficiency for solving all the problems facing man. This book's purpose is to build hope for both the struggling addict and those who desire to help him through practical principles of faith, hope and love through Jesus Christ. Individuals who are lost in the valley of addiction frequently ask God to remove the painful trial and its consequences for selfish reasons. Nevertheless, this time of trial, tribulation and revelation of their true nature and character can be grasped as an opportunity to explore and expand their newfound faith and freedom in Christ. The hope for these lessons would be to build an understanding and confidence for tackling everyday issues and provide encouragement to persevere as trials are overcome and victories are achieved on an every day basis. Success in overcoming the battle of addiction will depend on the individual acknowledging Christ's ability alone to set him free from bondage to sin and fear, thereby breaking the chains of addictions. After 20 years of suffering, being full of pride and arrogance, lost in a dark and lonely world and having the experience of trying time and time again to change myself through people, places and things, I finally had a solitary but failed attempt at suicide. Christ Jesus was finally allowed to pour down His Mercy upon me and I was given the gifts of His Grace, Faith, Repentance and Redemption and I was changed into a new man that was created according to God in true righteousness and holiness. It was after this event that I received my calling from the Lord and He gifted me with a tremendous healing of the mind and the ability to remember His Holy Scriptures. I have sought to make Christ Jesus my Lord known to all men as I have come to know Him ever since. I have had the privilege of having the Lord educate and equip me for the last 25 years as a Pastor. The Lord has used numerous individuals, various Biblical courses and trainings, drug and alcohol education and time of my own suffering in Christ to expand His purpose and plan for my life. Psalm 12:6-7: The words of the Lord are pure words like silver, tried in a furnace of earth, purified seven times. You shall keep them, O Lord. You shall preserve them from this generation forever. The power of Lucidity Marcello Cotrim, 2023-03-22. To reach the power of lucidity means being able to free yourself from the manipulations of the collective unconscious and the human matrix and its standards of battle and scarcity. Lucidity is the knowledge key for evolutionary decisions that will bring you peace and happiness to enable the connection with the divine matrix through the higher self. People would normally conduct themselves through life searching for satisfaction of their necessities and desires without deeper questioning and therefore by the law of attraction they create their own dimension of karmic repetitions. Their own psychic metaverse. Without realizing it they become reactive to the here and now by using an illusionary filter of traumas or future expectations instead of living and optimizing the only possible reality. The present moment. Only the neutral mind awakening is capable of clearing the meaning of our existence. *Yes You Can! - 50 Classic*
