**The Light Princess and Other Fairy Stories** George MacDonald, 2018-07-26 The Light Princess and Other Fairy Stories by George MacDonald The Light Princess is a Scottish fairy tale by George MacDonald It was published in 1864 Drawing on inspiration from Sleeping Beauty it tells the story of a princess afflicted by a constant weightlessness unable to get her feet on the ground both literally and metaphorically until she finds a love that brings her down to earth An animated version was released in 1978 In 2013 a musical version by Tori Amos and Samuel Adamson inspired by the original story was premiered for the Royal National Theatre in London The stage production featured actress Rosalie Craig as the title character The musical was generally well received enjoyed an extended run in the theatre and had its cast recording released in 2015 Plot A king and queen after some time have a daughter The king invites everyone to the christening except his sister Princess Makemnoit a spiteful and sour woman She arrives without an invitation and curses the princess to have no gravity Whenever the princess accidentally moves up in the air she has to be brought down and the wind is capable of carrying her off As she grows she never cries and never can be brought to see the serious side of anything The court philosophers when consulted are unable to propose any cure that the king and queen will suffer to be used She passionately loves swimming and when she swims she regains her gravity This leads to the proposal that if she could be brought to cry it might break the curse But nothing can induce her to cry A prince from another country sets out to find a wife but finds fault in every princess he finds He had not intended to seek out the light princess but upon becoming lost in a forest he finds the princess swimming Thinking she is drowning he rescues her ending up with her in the air with her scolding him He falls instantly in love and upon her demand puts her back in the water and goes swimming with her Days pass and the prince learns that her manner is changed between the water and the land and he can not marry her as she is on land We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Light Princess and Other Fairy Stories* George MacDonald, 2009-02-16 The Light Princess is a fairy tale by George MacDonald Though no longer well known MacDonald's works particularly his fairy tales and fantasy novels have inspired admiration in such notables as W H Auden J R R Tolkien and Madeleine L Engle For instance C S Lewis wrote that he regarded MacDonald as his master MacDonald once wrote I write not for children but for the child like whether they be five or fifty or seventy five
