The Papal Ideology Of Social Reform A Study In Historical Development 18781967:

The Papal Ideology of Social Reform Camp,2024-09-02 **Religion and Politics** John T. S. Madeley,2019-07-15 This title was first published in 2003 This subject area of this work cross cuts conventional sub disciplinary boundaries in the study of comparative politics Connections between religion and and politics can be identified in all of the thematic areas covered by the articles within Labour Rights and the Catholic Church Paul Beckett,2021-04-12 This book explores the extent of parallelism and cross influence between Catholic Social Teaching and the work of the world s oldest human rights institution the International Labour Organisation ILO Sometimes there is a mutual attraction between seeming opposites who in fact share a common goal This book is about just such an attraction between a secular organisation born of the political desire for peace and justice and a metaphysical institution much older founded to bring peace and justice on earth It examines the principles evident in the teachings of the Catholic Church and in the secular philosophy of the ILO together with the theological basis of the relevant provisions of Catholic Social Teaching and of the socio political origins and basis of the ILO The spectrum of labour rights covered in the book extends from the right to press for rights i e collective bargaining to rights themselves conditions in work and on to post employment rights in the form of social security and pensions The extent of the parallelism and cross influence is reviewed from the issue of the Papal Encyclical of Pope Leo XIII *Rerum Novarum* 1891 and from the founding of the ILO in 1919 This book is intended to appeal to lay professional and academic alike and will be of interest to researchers and academics working in the areas of international human rights theology comparative philosophy history and social and political studies On 4 January 2021 it was granted an Imprimatur by the Roman Catholic Archbishop of Liverpool Malcolm P McMahon O P meaning that the Catholic Church is satisfied that the book is free of doctrinal or moral error *The Frontiers of Catholicism* Gene Burns,1994-08-17 Discusses ideological changes in the Catholic Church since the early nineteenth century Catholic Moral Theology and Social Ethics Christina Astorga,2013-12-01 Proposing a new method for moral theology Christina Astorga seeks to recast our understanding of the discipline by drawing from the faith vision of the entire theological enterprise including scripture dogmatic theology social ethics and spirituality *Change in Official Catholic Moral Teachings* Charles E. Curran,2003 This volume brings together previously published studies presenting the spectrum of opinion on the change in official Catholic moral teachings *Modern Catholic Social Teaching* Kenneth R. Himes,2018-01-02 Including contributions from twenty two leading moral theologians this volume is the most thorough assessment of modern Roman Catholic social teaching available In addition to interrogations of the major documents it provides insight into the biblical and philosophical foundations of Catholic social teaching addresses the doctrinal issues that arise in such a context and explores the social thought leading up to the modern era which is generally accepted as beginning in 1891 with the publication of Pope Leo XIII s *Rerum Novarum* The book also includes a review of how Catholic social teaching has been received in the United States and offers an informed look at the

shortcomings and questions that future generations must address This second edition includes revised and updated essays as well as two new commentaries one on Pope Benedict XVI s encyclical *Caritas in Veritate* and one on Pope Francis s encyclical *Laudato Si* An outstanding reference work for anyone interested in studying and understanding the key documents that make up the central corpus of modern Catholic social teaching **Option for the Poor and for the Earth: Catholic Social Teaching** Donal Dorr,2012

American Catholicism Transformed Joseph P. Chinnici,2021 Situating the church within the context of post World War II globalization and the Cold War *American Catholicism Transformed* draws on previously untapped archival sources to provide deep background to developments within the American Catholic Church in relationship to American society at large and Vatican Council II During this time the Catholic community entered a transitional stage in which those on the right and those on the left battled for control of the Church s vision This convergence of international and national forces of renewal and resistance to them will continue to shape the American Catholic community s global identity in the twenty first century **Walking with Faith** Walter J. Woods,2010-02-01 *Walking with Faith* addresses a long standing need to develop the faith related dimensions of Christian moral life and explore their implications It responds to Vatican II s exhortation that theological studies be renewed through a lively contact with the mystery of Christ and the history of salvation Accordingly this book examines the relationship between faith and moral life in the Scriptures and acknowledges the normative quality of the biblical texts It reviews the long experience of the Church paying special attention to history worship and intellectual currents These dimensions of Christian life show the relationship between faith and moral life at any given time and allow the actions of one generation to have effects that extend far into the future *Walking with Faith* promotes an understanding of contemporary pastoral and theological issues and encourages a deep and informed approach to Christian life
